

**GOD’S PLAN FOR NIGERIA – THE EMERGENCE OF A NEW NATION!!**  
**VISION OF THE TROUBLE WITH NIGERIA AND JEHOVAH’S SECRET WEAPON:**  
**VISION 1: 16-9- 15.**

*A NEW NATION SHALL ARISE FROM THE ASHES OF THE PRESENT OCCULT FOUNDATION.*

*Only in David will I save your nation and I give you My word to publish to the Church and the nation. My David comes. This is My covenant with the fathers and I will keep My covenant.*

*Conversations with the Lord – October, 2015:*

*I was in the Spirit on the Lord's day, and heard behind me a great voice, as of a trumpet,<sup>11</sup> Saying, I am Alpha and Omega, the first and the last: and, What thou seest, write in a book, and send it unto. . . (Revelation 1:10-11).*

In the visions that come by day time; around 6 am on September 16, 2015, (the day of love); I was taken out of my body.

I did not see the face of the angel that was sent to get me but he had a lot of light about him and his personality was pleasant and assuring. We first went up in the skies until we got to a place that looked like a gate into another realm and we started descending and going southward. We got to a place that I knew to be Biakpan Beach in Cross River State: I knew that we were in the waters because we had been there physically in the battles of the Lord. We entered the waters and came to a very large city under the waters. The city extended underground up to the waterfront between Nigeria and Cameroun toward Bakassi: (I know because we had also been there on assignment for the Lord).

The angel and I came to a place that looked like a palace with a central altar and a large round table facing a throne. Sitted on this throne was a man who lived before; who held the people of the south-south captive and dominated the political structure in Nigeria by raising many sons to satan through *the mystery of iniquity*.

I thought he was dead but he still lives and rules in this large palace under the waters and is still priest of an altar that is very active and still speaks. I was going to be shown the trouble with Nigeria and the price men have paid to hold the nation captive using the powers of the dark world. What a fearsome sight I saw unfolding before me. But I held my peace because the one who was leading me was strong.

The angel leading me held me close and bid me pay attention and observe what was going on to the minutest detail. The Lord helped me. Indeed I observed and I saw. It was as if a camera was attached to my eyes that registered the things I saw in my heart (for graphic recall). I do not possess such ability naturally. I saw under the altar in what looked like a glass compartment the map of Nigeria. It looked roundish and was in the middle of a circle and had different segments. Each segment represented an era in the history of Nigeria. Five of the segments represented a past era. The nation is in the sixth segment. More than three quarters of this sixth segment have passed.

Looking at each segment the scenes played before me like a movie: what the sons of men have done in each era in the nation's life to take custody of the nation – to seize power by the force of satan so as to be in control.

Understanding was granted me to see what had been done, what is being done and what needs to be done to transit to the seventh segment. This seventh segment shines with much brightness. O, that the days of the seventh segment were already come:

At this point we were joined by the sweet psalmist of Israel and their king who honored God with his life and laid the foundation for his eternal throne on earth.

I hear strains from his harp and I can see what the harp is saying:

<sup>6</sup> *Thy throne, O God, is for ever and ever: the sceptre of thy kingdom is a right sceptre.* <sup>7</sup> *Thou lovest righteousness, and hatest wickedness: therefore God, thy God, hath anointed thee with the oil of gladness above thy fellows.* <sup>8</sup> *All thy garments smell of myrrh, and aloes, and cassia, out of the ivory palaces, whereby they have made thee glad.* <sup>9</sup> *Kings' daughters were among thy honourable women: upon thy right hand did stand the queen in gold of Ophir. (Psalm45:6-8).*

*I was glad when they said unto me, Let us go into the **house of the LORD.*** <sup>2</sup> *Our feet shall stand within thy gates, O Jerusalem.* <sup>3</sup> *Jerusalem is builded as a city that is compact together:* <sup>4</sup> *Whither the tribes go up, the tribes of the LORD, unto the testimony of Israel, to give thanks unto the name of the LORD.* <sup>5</sup> *For there are set **thrones of judgment, the thrones of the house of David** (Psalm122:1-5 emphasis added).*

This seventh segment shines with much brightness and is the desire of our nation and the nations of the world. The world awaits the emergence of this segment for our nation, but hell opposes it with all its might!!

This kingdom sitting in the belly of the waters works night and day to prevent the emergence of this segment but heaven is also determined to have its way.

I will return to this segment later.

Like I said earlier, it felt like a camera was attached to my eyes and connected to my heart and I recorded everything I had heard and seen with accuracy and with much help from my guide and King David who joined us.

I was gently carried back to my body lying in my bed and I awoke with a jerk.. I wondered if I had disturbed my wife who was just waking up from her sleep. O, the awesome power of God.

I am tempted to render Him worship and I succumb to the temptation. I am not a good singer but the Psalmist of Israel was still by my side. He began to talk about music and the determination of heaven to bring back true worship to the Church because it releases power that is not available to God's people any other way. Through music also, satanists are opening portals and releasing dangerous demons from the hordes of hell. What do you make of Madonna's September 16<sup>th</sup> concert with the theme; the desecration of the bride and the return of fallen angels?

*But thou are holy, O thou that inhabitest the praise of Israel: (Psalm 22:3)*

- <sup>1.</sup> *Truly God is good to Israel, even to such as are of a clean heart.*
- <sup>2.</sup> *But as for me, my feet were almost gone; my steps had well nigh slipped.*
- <sup>3.</sup> *For I was envious at the foolish, when I saw the prosperity of the wicked.*
- <sup>4.</sup> *For there are no bands in their death: but their strength is firm.*
- <sup>5.</sup> *They are not in trouble as other men; neither are they plagued like other men.*

6. *Therefore pride compasseth them about as a chain; **violence covereth them as a garment.***
7. *Their eyes stand out with fatness: they have more than heart could wish.*
8. *They are corrupt, and speak wickedly concerning oppression: they speak loftily.*
9. *They set their mouth against the heavens, and their tongue walketh through the earth.*
10. *Therefore his people return hither: and waters of a full cup are wrung out to them.*
11. *And they say, How doth God know? and is there knowledge in the most High?*
12. *Behold, these are the ungodly, who prosper in the world; they increase in riches.*
13. *Verily I have cleansed my heart in vain, and washed my hands in innocency.*
14. *For all the day long have I been plagued, and chastened every morning.*
15. *If I say, I will speak thus; behold, I should offend against the generation of thy children.*
16. *When I thought to know this, it was too painful for me;*
17. *Until I went into the sanctuary of God; then understood I their end.*
18. ***Surely thou didst set them in slippery places: thou castedst them down into destruction.***
19. *How are they brought into desolation, as in a moment! they are utterly consumed with terrors.*
20. *As a dream when one awaketh; so, O Lord, when thou awakest, thou shalt despise their image.*
21. *Thus my heart was grieved, and I was pricked in my reins.*
22. *So foolish was I, and ignorant: I was as a beast before thee.*
23. *Nevertheless I am continually with thee: thou hast holden me by my right hand.*
24. *Thou shalt guide me with thy counsel, and afterward receive me to glory.*
25. *Whom have I in heaven but thee? and there is none upon earth that I desire beside thee.*
26. *My flesh and my heart faileth: but God is the strength of my heart, and my portion for ever.*
27. *For, lo, they that are far from thee shall perish: thou hast destroyed all them that go a whoring from thee.*
28. *But it is good for me to draw near to God: I have put my trust in the Lord GOD, that I may declare all thy works (Psalm 73:1-28 emphasis added).*
12. *For God is my King of old, working salvation in the midst of the earth.*
13. *Thou didst divide the sea by thy strength: thou brakest the heads of the dragons in the waters.*
14. *Thou brakest the heads of leviathan in pieces, and gavest him to be meat to the people inhabiting the wilderness.*
15. *Thou didst cleave the fountain and the flood: thou driedst up mighty rivers.*
16. *The day is thine, the night also is thine: thou hast prepared the light and the sun.*
17. *Thou hast set all the borders of the earth: thou hast made summer and winter.*
18. *Remember this, that the enemy hath reproached, O LORD, and that the foolish people have blasphemed thy name.*
19. *O deliver not the soul of thy turtledove unto the multitude of the wicked: forget not the congregation of thy poor for ever.*
20. *Have respect unto the covenant: for the dark places of the earth are full of the habitations of cruelty.*
21. *O let not the oppressed return ashamed: let the poor and needy praise thy name.*
22. *Arise, O God, plead thine own cause: remember how the foolish man reproacheth thee daily.*
23. *Forget not the voice of thine enemies: the tumult of those that rise up against thee increaseth continually (Psalm 74:12-23).*

These are judgments that have gone forth from the presence of EL ELYON to take hold of these habitations of cruelty and to bring them to utter desolation. So let it be: Amen.

I must now return to the map of Nigeria that I saw in a round form like a dart board under the glass altar and begin to set in order what I have seen. I ask help from the ONE who is able to do all things whose servant and messenger I am. I feel Him take hold of my hand and the pen He gave me to write, record and witness for Him:

**The Counsel of men in the midst of the counsel of God**

The general information conveyed by the representation on the map is that heavy occultic negotiations were involved in charting the course for the nation at its inception.

The British empire that laid the foundation of the nation saw the star of the new nation and wanted to use occultic means to dim the star or extinguish it altogether. They desired more than anything to be in control of the nation forever and to sit on it as one sits on a horse.

Everything about the nation including the choice of personnel sent to lay the foundation of the new nation was carefully planned by the sixth chamber of hell and handed to gods that mingle with men through the occult and men who have become gods through the mystery of iniquity. Almost all the personnel that played a critical role in the emergence of Nigeria beginning from Sir Taubman Goldie, to Lord Lugard, Lady Flora Shaw, Lord Richardson as well as the ones who had anything to do with Nigeria’s political independence were compromised by the occult to achieve a satanic mandate made in desperation by the prince of darkness.

I was shown a circle with seven segments that represented different eras that have played out in the history of the beloved nation, Nigeria. I must now as the Lord bids me do begin to set in order the things that I saw.

At this time, the beloved apostle and dear friend of the Lord, John, is standing by my side: The word he had in the Master’s Presence at the time of his own work became life and strength for me:

*Write the things which thou hast seen, and the things which are, and the things which shall be hereafter (Revelation 1:19).*

**TABLE OF THE SEVEN ERAS IN THE LIFE OF NIGERIA:**

<b>NU.</b>	<b>ERA</b>	<b>HISTORICAL PERIOD</b>	<b>MAJOR PERSONALITIES</b>	<b>ALTAR RAISED/ SPIRIT RELEASED</b>
1.	ERA OF FOUNDATIONS	PRE 1914; 1914 -1960	The British Throne, The British Empire, Queen Elizabeth 11; Sir Taubman Goldie, Lady Flora Shaw, Lord Lugard.	Altar of marine witch-craft/ spirit of Jezebel. Nah.3:4-6

My assignment in relating what I was shown is NOT to go into the recording of historical events which is easily available through other sources. My assignment is rather to paint a picture of the spiritual currents that have played out in determining the direction that Nigeria has followed as a nation. To make it easy to follow, I will highlight the following areas in each era.

- a) The major personalities that played a causative part in determining events of the era.
- b) Their interest in doing what they did or did not do.
- c) The method they used.
- d) The altars they raised and the forces they engaged.
- e) The spiritual personality they enthroned knowingly or unknowingly.
- f) The major experiences especially in the realm of the spirit.
- g) Major historical events of the era - To help us keep track.

**1. THE ERA OF FOUNDATIONS**

During the era of foundations, the major personalities that played a definitive part in laying foundations of Nigeria are:

- The British Throne
- The British Empire
- Queen Elizabeth 11
- Sir. Taubman Goldie
- Lady Flora Shaw
- Lord Luggard.

Sir George Dashwood Taubman Goldie (May20, 1846 - August 20,1925) was a British adventurer and businessman that played a very prominent role in laying foundations for Nigeria. He conceived the idea of adding to the British Empire the then little known regions of the Lower and Middle Niger and for over twenty years his efforts were devoted to the realisation of this concept.

The British government of the era was not initially disposed to the idea because they did not consider the area to be commercially viable.

In 1879, he formed the United African Company by drawing together the three largest British firms operating in the Niger (Holland Jacques & Co; in which he owned controlling interest, Miller Bros; and James Pinnock).

In 1886, after increasing the capital of the UAC to one million pounds and renaming it the National African Company (to accommodate the home governments concerns), he was granted a charter to administer the territory on behalf of the British Crown.

With discovery of mineral in some of the territories under the company there were signs that the area was not going to be a burden to the British Empire after all. It was in the interest of the British crown to curtail French interests in the area as France operated through state firms.

On January 1, 1900, The Royal Niger Company transferred its territories to the British Government for the sum of **Eight Hundred and Sixty Five Thousand pounds**. Nigeria was sold by a man and bought by a nation.

From the early days of its foundation, Nigeria was a commercial transaction and this released the Spirit of Mammon over the nation.

The ceded territory together with the small Niger coast protectorates already under imperial control were formed into two protectorates of Northern and Southern Nigeria.

To see the spirit at work in all these operations we turn to the inerrant, infallible and incontrovertible word of God. Let us hear it from the mouth of Nahum, the ancient prophet of Jehovah:

*Because of the multitude of the **whoredoms** of the **well favoured harlot**, the **mistress of witchcrafts**, that **selleth nations** through her whoredoms, and families through her **witchcrafts**. (Nahum3:4)*

To see the British throne spiritually and understand the foundations and what the throne stands for just apply the following five words:

- Whoredoms.
- Well favoured harlot (Is there a throne more glamorous among the nations of the world?)

- Mistress of witchcraft.
- Selling of Nations (From Africa to the Caribbean and India).
- Witchcraft.

Have you ever thought how a nation as small as Britain was able to control more than one half of the entire world? A part of this was advancement in science and technology, but the deeper and more significant part of it was occultic in nature. Check the history of the founding fathers of every nation where Britain has exercised power and you will see that all of them without exception ended up being initiated into different occults especially Freemasonry.

The British throne is a Marine Throne. It laid marine foundations for the nations it colonised. It did this by sending spirits from the throne to seize the territory first and establish and connect it to the British throne. Even when it departs from a territory and hands over power to locals, these spirits released to govern on its behalf are left behind as monitoring spirits to report to the crown. In this way it maintains spiritual control that enables it to continue to maintain economic control.

I am speaking revelation to you and I pray the Lord will give you understanding. Unless God helps our nation, this spiritual yoke cannot easily be broken because the forces behind it are strong and ancient.

All the major personalities that played a significant role in laying foundations for Nigeria including Lord Lugard, Flora Shaw and especially Taubman Goldie had one thing in common; they were high initiates in the occult and 13 degree Masons.

I was brought into the visions of God as an angel took me under the waters of Nigeria in the South-South and I saw how the office of the First Lady in Nigeria was established in corruption. I saw Flora Shaw as a serpent and then a great fish. She swallowed the key of the new nation which she has just named and went into the bottom of the sea in the Niger River axis in a tectonic line that crossed through Aguleri (Ezu Omambala confluence area) up to the Bermuda Triangle.

She laid the altar of prostitution (seduction) as a means of getting to power in Nigeria. I saw her telling men who wanted power to sleep with her; that the power they sought lay deep within her (remember she swallowed the key); and if they wanted power they should penetrate deep to touch the key to the power. This still goes on today. Women like Ransome Kuti, Margaret Ekpo, Madam Tinubu, HID Awolowo, Abibatu Mogaji and others have added to this altar through their own advancement in the mystery of iniquity.

This evil has plagued every First Lady that afterwards sat in that office and will only be broken in the year of David when the Lord will redeem that office and use it to champion the cause of bringing true liberty to the disempowered in Nigeria – the widows, orphans, poor and needy in society.

We can say that the British interest in Nigeria was commercial. Yes, at a later stage, God rode on this platform to send missionaries who preached the gospel to us. Thus God in His magnanimity and in line with His overall gospel plan turned around the evil and brought good out of it.

The method the British used was to raise up a marine altar which they connected to the British throne and this enabled them to sit on the nation. How I wish the time has already come for God to upturn this wickedness. I plead with the Lord to do this and this conversation ensues:

**Revelation 1:7:** Lord, thank you for showing me these things. You bring revelation to redeem. As you are revealing these things why can't you upturn it and relieve us of this burden.

**Revelation 22:7:** Son, three things are involved: First is **the issue of times and seasons**. Second is the issue of **having a government that is aligned to My throne** who will take over and superintend this sphere. Third is **the issue of repentance and acquiescence**.

- a) **Times and Seasons:** *And David perceived that the LORD had confirmed him king over Israel, for his kingdom was lifted up on high, because of his people Israel* (1Chronicles 14:2).

My purpose in establishing the throne and setting a king over the throne is to establish righteousness and bless the people. Only a man that I have worked in his heart can do this because the throne has immense power. That is why it is ONLY IN DAVID, a man after My heart that your nation can be blessed. My answer to the prayer by all and sundry to bless your nation is to set up a righteous man over the throne of your nation. Such a man will not serve Baal. This has enormous implications. No servant of Baal can bless any people or any nation because Baal is a spirit of oppression. That is why it showed a lack of spiritual understanding when some that were supposed to be leaders in My House were clamouring for Baal to be enthroned over them. Only a righteous man can bless your nation temporally, by solving today's riddles through reliance on My Spirit. I will release to him the same spirit that was upon Joseph and Daniel (Daniel 5:12).

*Forasmuch as an excellent spirit, and knowledge, and understanding, interpreting of dreams, and shewing of hard sentences, and dissolving of doubts, were found in the same Daniel, whom the king named Belteshazzar: now let Daniel be called, and he will shew the interpretation.*

Beyond the temporal blessings, he will also bless the people in eternity by saving the nation from hell and leading the peoples into My coming eternal kingdom. (See Psalm 9:17; Isaiah 14:9; 66:24)

I am coming to your nation now as Melchizedek to give oil and wine to the seed of Abraham, to establish My everlasting covenant in their heart and in that way bring the throne of David. It is for this reason that I am showing you the spiritual nature of your throne so that you can see that it is only through the operation of a higher spiritual law that the throne can be established in righteousness. It is only a baby church that is making baby priests and infants that are carried away by the seduction of Jezebel and its operatives from hell that used the spirit of Beelzebub operating through the press to bring

about the present change in your nation. But I will still use the same eternal principle of turning defeat into victory (1Corinthians 2:8)

What is going on in your nation now is *the battle of kings* and I will yet use Abraham to defeat four kings and prepare the way for the enthronement of My David (See Genesis 14:1-24).

Only in David will your nation be blessed. Drum this into the ears of My people and give them understanding so that they are not carried away by the hallucinations and manipulations of the *spirit of Jezebel* that sits enthroned over the media especially the so called new media. The new media is just a new spirit like a cobweb called out from hell. It can be used for good but you must judge that spirit and put it in its proper place. Only a David will understand the spiritual realities surrounding the throne. Only a David will pay the price through consecration, covenants, vows and sacrifices to overcome these things for himself and the nation. Only to David will I show the way out of the mess that is lying at the root of your rot as a nation. Only in David will your nation be saved. Son this is what you should cry for, live for, teach and contend for and I am empowering you to do it for your generation.

b) **A government aligned to My Throne:** There are two people in the Bible who built cities: In all history, these are men who laid the foundation for two models of city building.

1) **Abraham** saw Me and through His faith in Me looked for an eternal city that will transit from time, beyond time and into eternity in My presence. Abraham built by revelation, through faith and obedience. He built in Me following what I revealed to him. This is what is written:

*By faith Abraham, when he was called to go out into a place which he should after receive for an inheritance, obeyed; and he went out, not knowing whither he went.<sup>9</sup> By faith he sojourned in the land of promise, as in a strange country, dwelling in tabernacles with Isaac and Jacob, the heirs with him of the same promise:<sup>10</sup> For he looked for a city which hath foundations, whose builder and maker is God (Hebrews 11:8-10 emphasis).*

Here let me show you the seven dimensions of building a godly city the way I modeled it for Abraham.

- A called out people (Genesis 12:1).
- A people of obedience (Genesis 22:1-18).
- Built by faith (Genesis 15:6).
- Built by people who sojourn or who journey: It can NEVER be built by those who settle.
- Built in My presence (dwelling in tabernacles).
- It is trans-generational: It started with Abraham with Isaac and Jacob in mind.
- Through it kings are raised (heirs) and given thrones (Psalm 122:5).

- 2) **Nimrod** saw satan and succumbing to deception, built a temporal city called Babylon that seeks to entrench the present age and allot inheritance to its sons in time. This is the city called Babylon. These are the two cities modelled in Psalm 87 as Zion (the eternal city), and Babylon, the temporal city.

*His foundation is in the holy mountains. <sup>2</sup> The LORD loveth the gates of **Zion** more than all the dwellings of Jacob. <sup>3</sup> Glorious things are spoken of thee, O city of God. Selah.*

*<sup>4</sup> I will make mention of Rahab and **Babylon** to them that know me: behold Philistia, and Tyre, with Ethiopia; this man was born there. <sup>5</sup> And of Zion it shall be said, This and that man was born in her: and the highest himself shall establish her. <sup>6</sup> The LORD shall count, when he writeth up the people, that this man was born there. Selah. <sup>7</sup> As well the singers as the players on instruments shall be there: all my springs are in thee. (Psalm 87:1-7)*

The man in question that built Babylon is Nimrod who succumbed to satan's lies that he will be made a god and be made to sit in the heavenlies to receive worship as a god. This is approaching the gate of immortality through an alternative gate that entraps people bringing them into the depths of hell.

So Nimrod built by buying into deception. Satan sold him the same lie he sold to Eve and he bought into it. Remember, in Adam's Era only Eve was deceived. Adam made a choice to go with Eve. In Nimrod's case, he was totally deceived and he opened the gate of deception to man. Through him satan gained a foothold on earth to raise men as gods on earth to pursue the agenda of hell which is to build a unified city that will oppose My kingdom and My plan. (See Genesis 11).

In the same way, the seven marks of Babylon will almost be counter to My own purpose and way of building:

- A people who settle in iniquity.
- A people of rebellion.
- A deceived people (people who buy into deception because their heart cannot accommodate truth).
- People who stop journeying .
- Built in satan's presence using his landmarks of greed, wickedness, deception and oppression..
- Those who build it have no view of tomorrow or the next generation: Like your nation that in its present state eats the future of its children but I have come to judge it.
- Through this (mystery of iniquity (2Ths.2:7), sons are also raised for satan to entrench the present age.

Sons of Babylon are the army that Satan will use to fight for possession of the earth and the entrenchment of the present age. He needs many sons of rebellion because their body will be used to house the multitude of demons and spirit of nephilim that will flood the earth at that time which has already begun. There is heavy satanic infiltration of the human race at this time just like in the time of Noah. (See Luke 17:26-30)

- c) **Repentance and acquiescence:** Son, My agency for abolishing darkness in any sphere is the Church, My body. The Church is first raised in any nation as a child. When I establish My body in any nation I make heavy investments in it to bring it to a place of maturity. I take from other nations to feed it. Paul said, *I robbed other churches taking wages of them to do you service.* (2 Corinthians 11:8). Which continent did I not deprive to build you up knowing that you will be My trump card in the end of times? I raised fathers over you that truly knew Me and My covenants. But your leaders like Esau sold your birthright for a mess of porridge. I acknowledge that from time to time you have cried over your poor state and the true state of affairs with you.

But have you truly repented of the evil of your doing?

Son there can be no true repentance without really understanding the issues. You have not brought true repentance because you have not understood the issues.

This was the cry of My son Elton over your leaders, the first ones I raised and gave My influence. Many of them got carried away by the influence and started building to make a name for themselves and entrench their own generations which is the hallmark of Babylon.

To bring true repentance, you must understand the issues and also seek insight into the depths of it. You must understand the whole dimension of the issues; the breadth, length, depth and height of it. It is in doing this that you can truly appreciate what you are trading away. It is only then that you can fall on your face and cry in repentance.

I acknowledge that there is a remnant in your nation that knows Me, loves Me and is crying for My intervention. It is for the sake of this remnant and also the love I have for humanity that I am giving light, and also releasing a heart of repentance so that you can enter into it to bring about My righteous reign in your nation which I am about to bring forth.

King David understood this principle

*God is the LORD which hath shown us light: bind the sacrifices with cords, even to the horns of the altar* (Psalm 118:27).

The sacrifice of repentance must be brought in the light of a full understanding of the issues. That is the only time you can bring true repentance.

#### **A solemn convocation**

Son, there is going to be a convocation of My people around the time of the Feast of Atonement next year (September 14 - 23, 2015). There is need for the remnant who love

Me and who love their nation to enter into true repentance publicly using My platform. This convocation will hold in Enugu, Abuja, Lagos and Port Harcourt. This will cause the alignment of some important forces that I will use to bring a righteous man to the throne. It will also afford My people the opportunity to repent appropriately for their sins of ignorance, indifference, blindness and opposition to My plans due to ignorance.

The issue is this. Babylon in the end times will seek to divide the world into ten units at this time in order to set up a unified government over it. Satan will then rule on the principle of 10 + 1 which is rebellion as summarised in Genesis 11 (See Daniel 7:7). The power I have released and am releasing to confront it is in the Remnant Church which is summed up in Revelation 11:3, *And I will give power unto My two witnesses and they shall prophesy.*

An aspect of this is the twin witness of Elijah and Moses and the kind of anointing encapsulated in their lives. **Son, I do pour out these prophetic anointing on the waiting Remnant Church the way I told you I would do.**

The mystery of the struggle for the throne of your nation is this. Your nation is the largest concentration of blacks on earth. Nimrod, the son of Kush was a black man. Satan seeks to set up the headquarters of the African Unit of the ten- kingdom Beast empire on your soil. This is what he seeks to use Islam to do and what the Saudi throne stands for. This is the power behind your President as I showed you in the visions. This is the contention for the throne.

Satan will choose this place because I have chosen to ride on your nation as a donkey to bring salvation to the rest of mankind.

From your nation, My true ambassadors will go forth to the nations of the world proclaiming the Gospel of the Kingdom with great power in truth, holiness and the power of My Spirit. This is the larger picture and this conflict will play out in the fight for the throne of your nation.

It is the battle of kings and Genesis 14 is the key. My name revealed there as El Elyon, the Possessor of the Heavens and the Earth, together with the 24<sup>th</sup> Psalm is the garment that you will wear to teach this, share this and also bring forth this so that the remnant will have light.

In light, they can then offer true repentance and bring forth weeping as I commanded in Joel. This will open the door for the enthronement of the man after my heart. This is what I do on earth today. Proclaim Psalms 77, 74 and 52 and declare that these forces are defeated.

To fully understand the city under water that was shown to you, check what was written concerning Sidon:

*Be thou ashamed, O Zidon: for the sea hath spoken, even the strength of the sea, saying, I travail not, nor bring forth children, neither do I nourish up young men, nor bring up virgin. (Isaiah 23:4)*

*And leaving Nazareth, he came and dwelt in Capernaum, which is upon the sea coast, in the borders of Zabulon and Nephthalim: <sup>14</sup> That it might be fulfilled which was spoken by Esaias the prophet, saying, <sup>15</sup> The land of **Zabulon**, and the land of **Nephthalim**, by **the way of the sea**, beyond Jordan, Galilee of the Gentiles; <sup>16</sup> **The people which sat in darkness saw great light; and to them which sat in the region and shadow of death light is sprung up.** (Matthew 4:13-16)*

Olumba who sat on the throne carries the spirit of a Nephilim. He turns women into Jezebel by sleeping with them. There are many Jezebels he has released all over Nigeria especially in the South/South. That is why there are many witches there operating 'prayer houses' and 'spiritist churches'.

This superficial Christianity of American Pentecostalism cannot deal with it. That is the issue I was raising in Port Harcourt and that is why I sent Gabriel to bring My message to Port Harcourt which is a call to come to Zion, where I am establishing deliverance for the nation. The attack was much but I protected you. (A reference to what happened in Port Harcourt on September 19, when he sent the messenger to minister to a congregation 3 days after being shown this vision).

**Revelation 1:7:** Thank You LORD for Your mercy, protection and deliverance. Thank You also for the light You have shed. Grant it to us to walk in this light and to do all you are giving to us to do to bring forth David.

Concluding on the era of foundations, we see that the altar raised for the nation was the altar of marine witchcraft. When Nigeria was sold by a man and bought by a nation, this released the spirit of mammon, which has been Nigeria's undoing. The spirit enthroned over the nation from the foundation was the spirit of Jezebel. This foundation must be seen for what it is and reversed before the nation can enter into liberty. I believe this is the reason the Lord is giving us this light. May the Lord grant it is to us not to misuse this opportunity.

## **2. THE ERA OF BUILDING**

In the natural order of things, after laying a foundation, the next thing will be to try and build the house. The period in view is between 1960 and 1966. The prominent personalities that played a significant role during this era of Nigeria's history are the pre-independence governor general and representative of the British throne, Sir James Wilson Robertson As well as, the founding fathers of Nigeria Sir Ahmadu Bello, Dr. Nnamdi Azikiwe, Chief Obafemi Awolowo and others.

Dr. Nnamdi Azikiwe Chief Obafemi Awolowo Sir Ahmadu Bello

In the visions I saw that the house they were building kept falling first because the foundation was weak and the major players had divergent interests. It was clear that the house was designed to fail because even the elections that brought about the government that emerged was largely rigged to empower the section of the country that the British assumed would best protect its interest.

Let me quote two documents that best depict the spirit of injustice, oppression and betrayal upon which the era was based.

**Harold Smith** was a British officer that served in Nigeria in the period before the 1959 elections. In his book, *Blue Collar Lawman*, he documented the systematic and desperate manner in which the British government ensured that the elections were rigged in favour of the North.

It is probably too early to make a balanced assessment of the British occupation of West Africa. I hope this book will make its own small contribution to that record. I have no doubt, however, that the overall assessment will prove that British rule, for all its shortcomings, was beneficial and advanced the welfare of many African peoples substantially.

The supreme betrayal of a new sovereign nation of which I write took place when the British retreated from Nigeria, the African giant, in 1960. The last great act of the British Government was to hold democratic elections in 1956 and 1959 to choose the leaders who would inherit supreme power over this vast territory. It seemed that the Nigerian people did not want as its national leaders those educated Nigerians who had campaigned for freedom from British rule. For the election results gave majority power to the leaders of the then backward and feudal North, who had worked closely with the British and were sad to see them go. The British were well satisfied with the election results, though many Nigerians were baffled at the outcome.

What I now reveal in the following chapters is that the British Government interfered with the elections so as to achieve Northern domination of Nigeria. The consequences of this abandonment of the rule of law by the British Government is recorded in the turbulent and bloody events which were to produce the Biafran Civil War which grasped the attention of the world due to its daily presence on every nation's television screens. The pictures of starving children and homeless refugees will not soon be forgotten. Since the fraudulent handover of power to the Northern leaders in 1960, not only has there been this bloody civil war which caused the deaths of hundreds of thousands of Nigerians including many women and children, but five heads of state have been assassinated and there have been three military coups.

**I was one of the British officers serving on the headquarters staff in Lagos, chosen by the Governor General, Sir James Robertson, to mastermind the covert action to rig Nigeria's elections.** This secret operation hatched in Whitehall was of course a gross betrayal of trust by Prime Ministers Sir Anthony Eden and Mr. Harold Macmillan. The orders which arrived on my desk from the Governor General before the elections for the Western Regional Government in 1956 were quite illegal and in direct contravention of Nigerian and British law. As a consequence of these illegal orders, I was to lose my career and my health. These orders were not only illegal but also immoral, and I refused to carry them out. I also refused many inducements. The authorities wanted me to promise never to reveal how the British Government rigged the results of Nigeria's General Elections.

In 1986, approaching my sixtieth year, I decided, in compliance with the convention, to seek permission from the Prime Minister, Mrs. Margaret Thatcher, to publish my account of those years in Lagos. I believe that the British people have a right to know what was done in their name; and the people of Nigeria and the Commonwealth need to be made aware of the duplicity and criminal behaviour to which some British leaders had resorted when dealing with the African peoples' struggles for freedom from colonial rule.

The British Government's response to my plan to write these memoirs was totally negative. Mrs. Thatcher refused to reply to my letters. She is not often stuck for words but on this occasion she was rendered speechless. Assuming that my letter had been

suppressed by the Foreign Office I wrote again using the good offices of the Archbishop of Canterbury and, when that produced no response, the Prince of Wales. I must assume after all these endeavours that Mrs. Thatcher has indeed seen my letters and has no objection to the publication of my story of how the British tricked the Nigerian people.

The Governor General had told me that I had a choice. I could give my word to keep my mouth shut and I would continue to be a golden boy, a high flier, an outstanding officer with appropriate remuneration and rewards, or I would never be employed again by anybody. I chose the latter course. I had no choice really. Cheating a brand new nation out of its birthright was evidently routine stuff if you were Sir James. I could not see myself getting involved in this kind of intrigue. And of course I thought I would somehow survive. And of course I did, even though I found myself permanently retired at thirty-three with no salary or pension. I had only graduated at Oxford six years earlier. . . ,

(Excerpts from Harold Smith's book – Blue Collar Lawman. This book was originally available on the Internet until it was taken down by the British Government but by then some people had down-loaded copies).

This is the account of an officer that participated in the British conducted elections that gave power to the Northern oligarchy whom the British trusted more to protect its interest.

The mistrust between these three leaders drove them deeper into bitter rivalry that left them delving into occultic powers to fight to gain the advantage of one another. Zik resorted to seeking satanic power and delved deeper into the agbalanze cult. Awolowo sought refuge in the Rosicrucian order, and rose to become one of its first African high initiates. He was also involved in other satanic practices and voodooism. Of course the Sardauna belonged to one of the highest occults on earth by his religion and imported a large retinue of marabouts who made charms for him for protection and made prognostication.

I believe that it was in this era that the foundation was laid for the enthronement of the Leviathan spirit as one of the principalities over Nigeria.

The major altar laid for the nation during this building stage was the altar of mediocrity. The corruption that cripples our nation today is the fruit of this altar. Also the spirit of injustice and oppression was released over the nation from this altar.

The foundations of this altar are everywhere in Nigeria as represented by the traditional thrones. The British government handed over the nation to the caliphate and made them custodians of the throne. The traditional institution in Nigeria has always tried to play this role of being the

mediator between the government and the people. In most cases because of the idolatrous foundations of these thrones they have ended up working against the people they are meant to serve.

One of the major issues that have become iconic of our nation politically is election rigging and inability to conduct some basic exercises like census. The British laid the foundation for this evil by rigging the first elections it conducted for the new nation and thus bequeathed to Nigeria a legacy of falsehood, deception and corruption.

The foundation was laid in such a way that the building would collapse and so it did. The stage was thus set for the era of rebellion.

### **3. THE ERA OF REBELLION**

I saw in the visions a man like a wild goat walking up and down and complaining that his people were being massacred in the North of Nigeria and that he was not going to take it. Ojukwu and his group decided to fight in the flesh a matter that had a deep spiritual root and thus the ground was set for the era of rebellion which was the period between 1967 and 1970 when the nation was engulfed in a bitter civil war.

The rebellion in heaven was engineered from the East gate where Lucifer manned as the cherub in charge of worship (See Isaiah 14:12-14; Ezekiel 11:1; Genesis 3:24; Exodus 25:19-10). Because of this fact, the East always has a potential for rebellion. On the international scene, we see that one of the most volatile regions in the world today is the Middle East. In this instance Ojukwu felt justified because of the heartless massacre of the Igbos in the north following Nzeogwu's unfortunate bloody coup that wasted some northern leaders and the flimsy way he described such a tragic event.

Whenever the foundation of a nation state is laid in idolatry, it releases a spirit of wickedness over the nation.

These young officers because of their zeal to fix the nation missed the real issues. They were blinded to the reality of the foundation of injustice that the British laid for the nation and standing on that platform they fought against one another while the real cause of the problem remained in the background behind the mask.

We saw this play out in the manner federal forces executed the Nigerian war. An economic blockade was imposed over the east and this wasted over three million innocent lives. I saw the spirits of these unfortunate ones crying aloud and flying as birds forming a thick darkness over the entire nation. Bloodshed begets bloodshed. The shedding of innocent blood that still goes on in Nigeria in different guises including the Boko Haram violent insurgency, bloodshed from armed robbery, violent crimes, abortions and ritual murder all have their roots in the events that were birthed in this era of rebellion.

C.K. Nzeogwu was an infantry intelligence officer of the Nigerian Army and was based in Kaduna. On 15<sup>th</sup> January 1966, he led a group of young officers mostly from the East in a bloody coup that overthrew the NPC-NNDP government. Though he was an Igbo man from the East, he grew up in the North of Nigeria and was fluent in Hausa language.

It was said of him that his love for Nigeria was genuine and he had the best intentions in leading the first coup in Nigeria that overthrew a civilian government.

The manner of execution of the coup left the impression that he spared his own people and was hasty in executing the leaders of other tribes especially the North. This eventually led to a counter coup and reprisal attacks against the Igbos which eventually led to the outbreak of the civil war.

The problem with the spirit of tribalism is that it makes you quick to see the evil in other races. If you have this spirit and your son is an armed robber, you will be quick in spotting other people's children who are pick pockets while conveniently ignoring the fact that a larger problem is brewing in your back yard.

The major cause of the rebellion which is a foundation built on injustice that started in the colonial era has not been addressed. The different governments that have come on stage afterwards have entrenched rather than address the injustice.

The Nigerian situation is like a clove of onion with different layers. On the innermost layer of this onion is the spiritual currents that form the foundation of the Nigerian state. We have seen from the first era that the British Government laid marine foundations for the nation in the depths of the waters. This marine foundations aligned better with the Northern oligarchy which drinks from the same stream and so the British found a natural ally in the Northern oligarchy. It was thus easier for the British throne to trust the caliphate throne with political power since they could speak the same language. The British did not do this because it loved the north, she did so in self interest to maintain economic sovereignty over the nation when the reality demanded it relinquishes political sovereignty.

Majority of those who played at this time, including Nzeogwu that led the coup, Ojukwu that fought to preserve his people were merely reacting on the natural to a problem with deep spiritual roots. They did not have the right forceps to probe and dissect the depth of the matter and so their physical response to a spiritual problem created more problems for the nation which served the interest of the British best because part of their political maneuver is always to rule in division - to emphasise the difference between people so that they could continue to rule in the midst of division.

First Samuel 15:23 says: *For **rebellion** is as the sin of **witchcraft**, and **stubbornness** is as **iniquity** and **idolatry**. Because thou hast **rejected** the word of the LORD, he hath also rejected thee from being king* (emphasis added).

Dangerous spirits were released over the nation at this period. The above scripture shows that once the door of rebellion is opened in any nation, it attracts the other gang:

- Rebellion
- Witchcraft
- Stubbornness
- Iniquity
- Idolatry
- Rejection.

These are the underlying spiritual issues still plaguing the nation today and the form of Christianity that is common in the nation has not been able to address it.

Two gates were opened over the nation – *the gates of hell and death*. The major altar raised over the nation is *the altar of rebellion, tribalism and division*. These altars still speak over the nation. The foundation of idolatry laid for the nation in due course birthed injustice that led to rebellion and rebellion gave birth to divisions and strife.

Only a spiritual man who has the seed of God will have what it takes to see these issues and also receive the blueprint from God to lead the nation to overcome this influence from hell that covers the nation as a cloud.

Appealing to the powers of hell that created the problem through sorcery, prognostication and divination for solution only worsens the problem as these powers have opposing interests and a wicked master with a selfish agenda. But there is hope as I saw in the visions and I recorded what I saw.

The major personalities that were on stage during this era of rebellion were Late Odumegwu Ojukwu, Late C.K. Nzeogwu, Yakubu Gowon, Olusegun Obasanjo, T.Y. Danjuma and other civil war characters. Some of these personalities yet live and they are timelines and land marks for the nation. Their presence reminds us of the grace of God and his long suffering towards us a nation.

#### **4. THE ERA OF OPPORTUNITY**

The era of opportunity lasted about thirteen years and the period in history covered Gowon's era up to the second republic.

In the visions, Gowon was portrayed to me as an orphan. He was immature, unschooled, short sighted, without a shepherd and most importantly without a father.

Gowon's 1970 'no victor no vanquished speech was the right speech but it was not matched by the right action. The East that was devastated by the war hardly received development nor any form of reconstruction.

By this time Awolowo was the Minister of Finance and for some reason the Federal Military Government approved his unjust scheme of making a flat payment of twenty pounds to all Account holders from the defeated East no matter the volume of deposits they had in the bank.

This Federal Government policy opened another gate of hell over the nation from the east of Nigeria. Shortly after this injustice, Gowon embarked on a nationalisation policy supervised by Awolowo as head of the economic team.

Many families with the right connection to politicians were granted bank loans with which they acquired the assets of the nationalised companies.

Easterners left in the cold resorted to self help and with that desperation to catch up a gate was opened for Mammon to have a foothold in the nation starting from the east.

Today apart from their generally acknowledged industry and hard work, the Igbo man is still captive to the spirit of mammon. This reflects in their trade practices with many traders resorting to the importation of substandard goods for quick profit and other vices.. Could it be that in their bid to catch up after the unfortunate events of the civil war they fell into the hands of the spirit of mammon?

Gowon's greatest need at this time as I saw in the visions was for a father – A man of vision and sight who would have guided him to use the opportunity of increased oil prices in this era to set the nation on the path of economic development and proper integration. A United States analyst had this to say about this era:

. . . Nigeria is still very much a tribal society. . . where local and tribal alliances count more than national attachment.

General Yakubu Gowon, head of the Federal Military Government (FMG) is the accepted national leader and his popularity has grown since the end of the war. The FMG is neither very efficient nor dynamic, but the recent announcement that it intends to retain power for six more years has generated little opposition so far.

The Nigerian Army, vastly expanded during the war, is both the main support to the FMG and the chief threat to it. The troops are poorly trained and disciplined and some of the officers are turning to conspiracies and plotting. We think Gowon will have great difficulty in staying in office through the period which he said is necessary before the turnover of power to civilians. His sudden removal would dim the prospects for Nigerian stability.

Nigeria's economy came through the war in better shape than expected. Problems exist with inflation, internal debt, and a huge military budget, competing with popular demands for government services. The petroleum industry is expanding faster than expected and oil revenues will help defray military and social service expenditures. . . .

Foreign exchange earnings and government revenues increased spectacularly with the oil price rise of 1973 -74. (Source: Wikipedia/history of Nigeria).

On July 29, 1975, Murtala Mohammed and a group of officers staged a bloodless coup accusing Gowon of corruption and delaying the promised return to civilian rule. He announced a time table for the resumption of civilian rule by October 1, 1979. He was assassinated on February 13, 1976 in an abortive coup and his chief of staff Lt. Gen. Olusegun Obasanjo became head of state. Note this name, Olusegun Obasanjo which later grew to become a re-occurring decimal in Nigerian history and politics.

Other important timelines in this era of opportunity that lasted to the termination of Alhaji Sahagari's regime in December 1983 were as follows:

- 1977 - Election of a Constituent Assembly to draft a new constitution.
- 1978 - Publishing of a new constitution and the lifting of the ban on politics.
- 1979 - General elections and the emergence of Alhaji Shagari as president on the platform of the National Party of Nigeria with the other five parties having representation in the National Assembly.

One scripture that describes the lost opportunity of this era and the cost to the nation is found in the wisdom of the preacher, the wisest king that ever lived:

*Woe to thee O land when thy king is a child and thy princes eat in the morning: Blessed art thou O land when thy king is the son of nobles, and thy princes eat in due season, for strength (to work) and not for drunkenness: (Ecclesiastes 10:16-17).*

Another scripture describes the attitude of characters like Umaru Dikko (of the import license and rice fame) that bestrode the landscape at this time:

*And they rose up early on the morrow, and offered **burnt offerings**, and brought peace offerings; and **the people sat down to eat and to drink, and rose up to play** (Exodus 32:6, emphasis added).*

Cast your mind back to the sex altars that were erected in government quarters during this period of politicians' indiscretion and mis-governance. The effect of this pollution is still obvious in government where it appears a culture of incompetence, corruption and immorality has been entrenched.

To add salt to injury, Shagari and the NPN rigged their way back to power in the 1983 general elections thus sentencing the distressed nation to another four years of mis-governance.

A commentator captured the lost opportunity of this era in these words:

During the 1950s prior to independence, oil was discovered off the coast of Nigeria. Almost immediately, the revenues from oil began to make Nigeria a wealthy nation. However, the spike in oil prices from \$3 per barrel to \$12 per barrel, following the Yom Kipur War in 1973 brought a sudden rush of money to Nigeria.<sup>[41]</sup> Another sudden rise in the price of oil in 1979 to \$19 per barrel occurred as a result of the lead up to the Iran-Iraq War.<sup>[41]</sup> All of this meant that by 1979, Nigeria was the sixth largest producer of oil in the world with revenues from oil of \$24 billion per year.

What did the politicians of that era do with all that money? Most of it ended up in private pockets because the leader was weak, unprepared and without skills.

It looked like a welcome relief when on December 31, 1983, the military overthrew the second republic. Maj. Gen. Muhammadu Buhari emerged as the leader of the Supreme Military Council, the country's new ruling body.

Please note that name Muhammadu Buhari because of what he represents and the configuration of powers that brought him to the throne.

Four major personalities that played on the stage during the era of opportunity are: Yakubu Gowon, Murtala Muhammed, Olusegun Obasanjo and Muhammadu Buhari. I have not mentioned Shagari because he was just an imposition by forces that played in the background. One of these four is dead but three yet live and they are important time lines and land marks for Nigeria.

Two major forces that played in the background were the British throne and the Saudi throne. These two thrones aligned themselves to the Caliphate throne in Sokoto and pulled the strings from behind. This is the legacy that Britain bequeathed to Nigeria.

I beheld in my visions and I saw Murtala Muhammed in a dark room. It was a very dark room and he was sitting on top of a cube-like object that looked like the famed Khaba stone of Islam.

Six Islamic priests were bathing (baptizing) him in a liquid substance that looked redish and black at the same time. Inside the cube-like box on which he was sitting were writings in Arabic, which I understood to be the mission he was expected to undertake for Islam and the policy he was expected to execute to position Nigeria as an Islamic nation. I beheld in the visions until it was taken away. I did not see the end of the matter.

Could it be that God terminated his regime during his first coming as a result of this insidious scheme to make Nigeria, (a country where probably Christians are higher in population) an Islamic nation through deception?

I will not attempt to answer this question but time will tell because the same scheme is still being brewed:

The major altar raised over the nation at this time was the altar of Idolatry. The spirit released over the nation was the spirit of Islam. Through things done in darkness the Islamic spirit was enthroned as a controlling influence over the nation. Other things done afterwards, like designing the Federal Capital Territory as an Islamic empire, building a Mosque in Government House without the thought of building even a chapel for Christians are all things that grew from this foundation. But this side of Murtala Muhammed's legacy is hardly talked about.

Did the nation seize the opportunity that God gave at this time, captioned in my vision the era of opportunity? No, our leaders blew it. *Woe to thee, O land, when thy king is a child, and thy princes eat in the morning* (Ecclesiastes 10:16).

Notice that in all our narrative so far, the common issue with the nation has been that of leadership because that was the foundation laid for the nation. Right from inception, Nigeria never had the right kind of leadership and this has continued to plague the nation. We will come back to this issue towards the end of our narrative.

## 5. THE ERA OF GRACE

The era of grace is the long period of military rule that lasted about sixteen years between 1983 and 1999.

First I wondered in my visions why this period was captioned the era of grace. What was graceful about this period that it should be so captioned? *At this time I was shown a picture within a picture.* The outward picture that looked like a frame was an outline of the historical events that happened during this period while the inner frame brought me into the visions of God and I saw and had understanding concerning the conflict that raged in the realm of the spirit concerning the throne of Nigeria and the conflict between two ancient foundations.

Let me talk about the inner frame first because the events that played out in the outer frame are available in historical records.

There is a principle that the Bible states in Isaiah 46:9-10:

*Remember the former things of old: for I am God, and there is none else; I am God, and there is none like me, <sup>10</sup> **Declaring the end from the beginning**, and from ancient times the things that are not yet done, saying, My counsel shall stand, and I will do all my pleasure:*

This scripture simply tells us that to see the end of a matter, you have to look at the beginning.

Life and civilization began in Africa and therefore life will end in Africa. When we mention Africa please bear in mind that Africa is much larger than the present designation in the world map which is a fall out of the scramble for Africa and the balkanisation of the continent by European imperialists between 1881 and 1914. You need to bear in mind that you find blacks in several continents including Australia, India, Guyana, New Zealand and other places far from present day Africa.

The Bible mentions two sets of nations that will play a role in end-time events. Jesus depicts these nations as trees:

*And he spake to them a parable; Behold **the Fig tree** and **all the trees**. (Luke 21:29, emphasis added).*

*The fig tree* is Israel. *All the trees* are other nations mentioned in Bible prophecy.

Israel is God's time piece. Once Israel became a nation again in 1948 after about 1,500 years in exile, it meant that God's prophetic calendar had started ticking again.

The other nations of Bible prophecy are nations mentioned in the prophetic books which will play a role in endtime events.

These nations as depicted in the Bible can be classified broadly into four:

- a) Nations associated with the biblical river that flowed from Eden (See Genesis 2:10-14).
- b) Nations mentioned in other prophetic books.
- c) Ezekiel 38 and 39 nations.
- d) Nations mentioned in the Book of Revelation.

Without going into details, let me highlight a few nations in each category starting with the prophetic books but my focus in our present context are nations associated with the biblical river that flowed from Eden.

Isaiah 21 mentions Saudi Arabia (desert of the sea; terrible land); Iran (Elam) and Babylon (predominantly present day Iraq). Today, these nations are key players in igniting events that will lead to the end of this age. Saudi Arabia focuses on using its wealth to export Islam and position it for world dominion. Iran is obsessed with the destruction of Israel and is close to acquiring nuclear weapons. Iraq with all its wealth is unstable as the waters and exporting trained Jihadists to other nations. Isaiah 17 mentions Syria the longest continuing city in the world, which is a direct neighbour to Israel and has been engulfed in crisis for the past four years. Now ISIS has risen from the ruins of that war and its objective as defined for them by the prophet of Islam is to first destroy Rome and the Vatican, then face Israel and destroy it.

Ezekiel 38 and 39 nations include Russia (Meschech and Tubal); Iran (Persia), Ethiopia, Libya, Turkey (Torgamah).

Revelation 17 and 18 mention Mystery Babylon (Vatican) and Babylon (Headquarters of the anti Christ and his one world government possibly Astana, capital of Khazakstan). Revelation 20:8 mentions Russia again (Gog and Maggog).

### **Nations associated with the biblical river that flows from Eden**

Out of the four rivers mentioned in Genesis 2, the identity of two is clear because they still exist in the Middle East by their biblical names:

*And a river went out of Eden to water the garden; and from thence it was parted, and became into four heads. <sup>11</sup> The name of the first is **Pison**: that is it which compasseth the whole land of Havilah, where there is gold; <sup>12</sup> And the gold of that land is good: there is bdellium and the onyx stone. <sup>13</sup> And the name of the second river is **Gihon**: the same is it that compasseth the whole land of Ethiopia. <sup>14</sup> And the name of the third river is **Hiddekel**: that is it which goeth toward the east of Assyria. And the fourth river is **Euphrates** (Genesis 2:10-14 emphasis added).*

Hiddekel (Tigris) and Euphrates originate in present day Turkey.

The [Tigris](#) and [Euphrates](#), with their tributaries, form a major river system in [Western Asia](#). From sources in the [Taurus mountains](#) of eastern [Turkey](#) they flow through [Syria](#) through [Iraq](#) into the [Persian Gulf](#). The system is part of the [Palearctic](#) Tigris–Euphrates [ecoregion](#), which includes Iraq and parts of Turkey, Syria, [Iran](#), [Saudi Arabia](#), [Kuwait](#) and [Jordan](#).

From their sources and upper courses in the mountains of eastern [Anatolia](#), the rivers descend through valleys and gorges to the uplands of Syria and northern Iraq and then to the [alluvial](#) plain of central Iraq. The rivers flow in a south-easterly direction through the central plain and combine at [Al-Qurnah](#) to form the [Shatt al-Arab](#) and discharge into the Persian Gulf. (Source: Wikipedia)

**River Gihon** is present day Nile River. Some ancient Ethiopian Bibles confirm this.

The Nile River probably originates from a spring in Jinja, Uganda and flows both right and left. To the right it forms one of the richest lakes in the world, Lake Victoria that covers four nations including Kenya, Tanzania, Burundi and Uganda. To the left it flows from south to north (The only river in the world that flows that way), covering eleven nations up to Ethiopia and Sudan before terminating in Egypt.

The eleven African nations that share the water resources of the Nile are: Tanzania, Uganda, Rwanda, Burundi, Congo-Kinshasa, Kenya, Ethiopia, Eritrea, South Sudan, Sudan and Egypt.

Most of these African nations are engulfed in one form of conflict or the other and we need to keep an eye on them as they will play significant roles in the end times. Egypt, South Sudan and Sudan are like gun powders waiting to explode.

**River Pison** on the other hand is present day River Niger. The River Niger has its source in the Fouta Djallon Mountains in Guinea, near the Sierra Leonean border. It passes through Mali, Niger, Benin Republic and then Nigeria (four African nations) where it runs a long course through Lokoja, Onitsha, Asaba before emptying into the Atlantic Ocean through one of the richest deltas in the world known as the Niger Delta.

The nations compassed by these biblical rivers have the potential to become the wealthiest nations on earth. Notice that the Bible associates the land of Havilah with not just gold but good gold with other precious stones. The word Havilah associated with River Pison simply means the land of Blacks or the land of Africa. Nigeria has the largest population of blacks in the whole world.

Instead of wealth which is God's original purpose for the land of Africa, what do these nations compassed by these rivers have in common? From Sudan, to Ethiopia to Mali and then to Egypt and Nigeria, it is a story of wars, famine, devastation, slavery and much suffering in the midst of plenty.

There is a reason for this which we highlighted earlier.

Remember, in my conversations with the Lord which I quoted in the section on the era of foundations, the two cities in conflict are the city of Abraham which produced Christ and the city of Nimrod, which will produce the anti-Christ..

Nimrod as we have noted was a black man. He was the mighty king of Babylon, the first monarch and city builder. He was the king who gave idolatry to the nations and who opened the door for satan to have a direct hold on mankind by giving him sons that were elevated as gods. These gods are worshipped today in different cultures.

Nigeria being the largest black nation in the world has a direct stake in Nimrod's legacy and as such would be a serious asset in the fight for the establishment of Nimrod's throne. The mystery of the throne of the Ooni of Ife, for example, is the claim that the Ooni is a direct descendant of Nimrod or Lamorodu as he is known in Yoruba language.

This mystery of the conflict between the throne of Nimrod and the throne of David, Abraham's son is what was shown to me in the inner frame of the visions of the era of grace.

This period was a period of grace for the nation because the conspiracy of the Islamic world championed by the Desert in the Sea was to force Nigeria to become an Islamic nation. The three generals that played in this era, Babangida, Late Sani Abacha and Abubakar all bought into this controversy like the General that played in the era of opportunity that heads the present government. This scheme would have been a fait accompli if not for the intervention of grace, the mercy of God, the Covenant of the fathers of the nation especially Pa Elton, Babalola and others and the eternal purposes of God.

I saw each of these Generals at their initiation into their regime. They drank of the waters of Arabia and swore by the cube of Mecca that they would deliver on the mandate to Islamise Nigeria.

Remember that in the previous era of opportunity, the altar of idolatry had been raised for the nation and room had been made for the spirit of Islam to sit by the throne of Nigeria. So, the spiritual condition was set. What was required were the right men who had the nerve and the right setting to pursue this. What better setting than a military regime, led by northerners from northern Nigeria who were all Muslims with an Islamic mandate received from the headquarters of Islam and initiated into the pursuit of the agenda through oaths administered spiritually.

This is partly what the military regimes in Nigeria set out to achieve and the three gladiators of this era including Babangida, Abacha and Abubakar pursued this with all their might.

Let me quote from **Newswatch Magazine** Publication of February 24, 1986: In September 1969, Arab countries met in Rabat, Morocco, a pre-eminent centre of Islamic theology since the days of the early prophets, to put finishing touches on the proposed Organisation of Islamic Conference (OIC). Nigerian Muslims were anxious to be part of the historic gathering.

With the support and encouragement of the Sultan of Sokoto, Abubakar 111, a delegation led by Abubakar Mahmood Gumi, a prominent Islamic Priest, flew to Morocco to register Nigeria's presence. Gumi was later to become a fixture in the OIC for the next 17 years (1986, Babangida era).

At that time, Nigeria was on the last leg of its civil war. Yakubu Gowon, head of state at that time, was worried that the attendance of Gumi's delegation might be misconstrued as a declaration of intent of Nigeria's membership of the organisation. He, therefore, sent an urgent message to King Hassan of Morocco clarifying the status of the delegation. The team was on its own, Gowon reportedly informed King Hassan and that they were not representatives of the Nigerian Government.

That move threw a spanner in the works. The delegation led by Gumi was denied accreditation but was merely allowed to observe the proceedings.

Less than two years later when OIC was formally inaugurated, it was clear that Nigeria had no intention of becoming a full fledged member of the organisation.

Since that time, successive heads of state had steered clear of the controversial and potentially divisive issue. Gowon kept his distance. Murtala Mumammad's tenure was too brief to make a difference and Olusegun Obasanjo would not get involved. Shehu Shagari also played safe. He always managed to bear the enormous pressure put on him to commit Nigeria to membership of the organisation, somehow succeeding to put off the matter until another day.

And then the military took over power again on the eve of 1984 and the Muhammadu Buhari government decided to pursue the matter with deliberate speed. Newswatch has been reliably informed that ex Supreme Headquarters Chief of Staff Tunde Idiagbon's pilgrimage to Mecca last year just before the Buhari regime was swept away was connected in part with the decision of Nigeria to enroll as a bonafide member of the OIC. Buhari was to have paid a trip to Saudi Arabia subsequent to Idiagbon's but the coup made that plan academic.

Before then, the Buhari government had been pressing ahead to institute dramatic changes in Nigeria's religious equation. The first one concerned another contentious issue: introduction of Islamic sharia in the nation's body of law. The campaign for which was suddenly rejuvenated this year prior to the disclosure that Nigeria had finally joined the OIC.

In 1984, the Buhari government decided to jog where angels feared to tread. It initiated moves according to well placed sources to amend the constitution and incorporate the sharia as a federal law. The government of the ten northern states at the time were reportedly instructed to prepare memoranda and lead the fight for the institution of the Islamic law.

The report went on to narrate the detailed plans and strategy put in place and pursued by Gen Buhari during his first coming. It would appear that the central focus of his regime in that era was the pursuance of the Islamic agenda. He put strategies in place for this; made arrangements to change the constitution to make it a permanent thing. He already had a draft amended

constitution in place and was on the verge of dealing that stroke when his regime was terminated by Babangida's coup.

This is how Newswatch wraps up this pursuit:

“The draft amendment was supposed to be presented to the Judicial Advisory Committee, JAC, which would then formally recommend it to the Supreme Military Council, SMC, of the Buhari era.

Before these steps were taken, the coup makers came calling on August 27, 1985, removed Buhari from power and unwittingly put the brakes on the sharia move. The subterranean but carefully orchestrated plan to advance the cause of Islam in Nigeria suffered a temporary setback but pressure on President Babangida to conclude the initial arrangement continued. . . .

#### BABANGIDA DRAGS NIGERIA INTO OIC

Last December (December 1985), the OIC sent an invitation to Nigeria to attend the OIC Ministerial Conference scheduled for January 6 to 10 in Fez, Morocco. As was customary, the invitation was sent to the external affairs ministry. Also as usual, the ministry telexed its ambassador in Morocco to attend the meeting as an observer oblivious that something different was in the wind. As far as it went, it was routine procedure.

Ambassador Ahmadu Hamza, a director general in the External Affairs ministry was said to have taken a copy of the telex to Dodan Barracks. And so on New Year's day, the External Affairs ministry was instructed for the first time in the history of the effort to get Nigeria to join OIC to give diplomatic cover to the Nigerian Delegation.

The all Muslim delegation was led by Rilwanu Lukman, now minister of Petroleum Resources. It included Abubakar Alhaji, a federal permanent secretary in the ministry of National Planning. Also on the delegation according to the sources were Abdulkadar Ahmed, the governor of the Central Bank and Ibrahim Dasuki, Secretary General of the Supreme Council for Islamic Affairs. And then of course Abubakar Mahmood Gumi. The demand for diplomatic cover for the delegation effectively meant that the representatives were from the Nigerian Government.

Newswatch was informed authoritatively that some senior officials of the External Affairs ministry were opposed to the move, whereby Dodan Baracks requested for a memorandum on the

matter. It was not known what role Bolaji Akinyemi the minister of external affairs played. He refused most vehemently to comment on the matter when Newswatch contacted him.

What is clear, however, is that he did not give diplomatic cover to the delegation by the time he left on his diplomatic shuttle to Europe and North America.

While Akinyemi was away, the official delegation left for Morocco under diplomatic cover, presented an application for Nigeria's membership and was immediately admitted as a member after being a spectator for 17 years.

Nigeria, the pre-eminent black nation on earth was regarded as a big catch by the OIC. According to the organisation's regulation, any nation applying for membership has to wait for a year before it is informed of the outcome of its application. But the procedure was waived to favour Nigeria. . . . The trip and subsequent admission of Nigeria into the organisation was cloaked in secrecy." (Pages 12 to 14; Newswatch Magazine, February 24 1986).

This account by Newswatch documents the role played by both Buhari and Babangida in the effort to Islamise Nigeria.

Abacha pretty much maintained the order and Abdusalami Abubakar put the final nail in the coffin by presenting to Nigeria the 1999 Constitution which is essentially an Islamic constitution. It was on this basis that the stage was set for the conflict of ideologies that is now playing out in Nigeria through different levels of violence the most deadly of which is Boko Haram.

The basic problem of the 1999 Constitution is that it is a marriage of two opposing ideologies and there is no document like that anywhere in this world forming the basis of association of diverse nations.

Liberal ideology espouses choice and freedoms including religious freedoms. The Sharia ideology legislates against choice including the all important choice of choosing your eternal destiny as a created being.

The marriage of the two ideologies in one document forming the basic framework for governing the nation is the major challenge of the Nigerian state. It was designed to fail and it will eventually fail. Abdussalam Abubakar did a disservice to the nation by giving us such document.

This period was the Era of grace because only the sovereign hands of God prevented an outright disintegration of the nation throughout this period.

Remember the violent conflict and strikes that erupted after the cancelation of the June 12 elections which Abiola won. Abiola was a firm supporter of the implementation of Sharia in

southern Nigeria. Could this be the true reason why he never saw the throne of Nigeria even when he had won an election?

Remember the brutality of Abacha's regime and the uncertainties of the era. It was indeed the grace of God that kept Nigeria together as a nation.

The major altar raised for Nigeria during this era was the throne of Nimrod. Yes Nimrod was given a place to sit in Aso Rock. The major personalities that played were all stooges of the Saudi monarchy, acting through the agency of the Sokoto caliphate. This era would have condemned the nation to hell if not the intervention of grace.

The major spirit released on the nation at this time was the anti-Christ spirit. You ask how can this be? When a sitting president goes out of his way to retain marabouts from different nations and involve them in state affairs, it amounts to dedicating that state to satan and being so invited he sits over that nation and interferes in their affairs at the highest level possible. This is what happened to Nigeria during the Babangida/ Abacha era.

Psalm 9:17, *The wicked shall be turned into hell, and all the nations that forget God.*

Yes nations do go to hell and Nigeria was condemned to hell. But the story did not end there as God intervened yet again to save His sovereign purpose and to honour His covenants with the fathers like Pa Elton, Babalola and others.

## 6. THE ERA OF MAN

In my visions I was shown a man that looked like a very rough goat who had a long girdle. I beheld in that vision until his time passed and others came but they still stood on his girdle. They stood in such a way that if he wanted at any time he could push them off that girdle because the girdle had something like a control at the end of it and that control was in his hands.

I wrote about this man by the leading of the Lord on August 11, 2013, when the Lord interrupted my breakfast and gave me a word to publish to the leaders of the nation. I will quote from my message of that date entitled, 'Word for the Leaders of Nigeria.'

At the breakfast table this morning, the Lord brought President Obasanjo to my heart. I wondered about this, because while I have enormous respect for the former President (because of his achievements), I am not particularly a fan.

The Lord began to bring to my heart the fact that at every important turning point in Nigeria's history, the man has always been there.

He was there during the bitter years of the civil war, and he was one of the principal actors of that war. It is true the Igbo perceive him as one of the people that terminated their ambition of becoming an independent nation, yet he played a major role in preserving the will of God that Nigeria remains one nation under God.

By 1975, God positioned him strategically as number 2 man to Murtala Muhammed.

Many people do not know this, but the major reason God allowed the overthrow of Gen. Murtala Muhammed was because of his Islamic agenda for Nigeria. (Please research this fact and may the Lord grant you deep revelation as you do so In Jesus' name.) His one single pursuit was to make Nigeria an OIC compliant full Islamic state. Of course God has a different agenda for our nation and He frustrated it using the language that people of his constituency understand – Coup and bloodshed.

Gen. Obasanjo's presence on the throne of Nigeria frustrated the Islamic agenda and stabilised the polity. He midwived the Nigerian transition and handed over to a civilian government headed by a gentle Nigerian Muslim in the person of Alhaji Shehu Shagari. Alhaji Shagari, even though perceived as a weak leader by many people, did not overtly pursue the Islamisation agenda. If he had completed his tenure, it is possible that political power would have returned to a Christian of southern or middle belt extraction.

In December 1983, Shagari was gently shoved aside . . . and the ferocious duo of Gen. Buhari and Brig. Tunde Idiagbon came on the scene.

Gen. Buhari reverted to the Islamic agenda, placed Nigeria in observer status in OIC and was headed toward making Nigeria a full member of OIC.

God intervened and stopped him through Gen. Babaginda's coup of August 27, 1985. I recently heard that God used a man of God

to warn him of the consequences of his action but when he did not listen, the coup took place.

To establish himself as defender of the faith, Babangida took the Islamic plot further by secretly confirming Nigeria as a permanent member of OIC without consultation while conveniently ignoring the fact that in all probability, there are more Christians in Nigeria than Muslims. Once he took this stand, he effectively sealed his destiny as an opposer of God and it was only a matter of time before he would go down.

Gen. Abacha who came after him was no different. He compounded his problems by relying on Marabouts and false prophets to establish his throne at a time inviting the highest representative of satan in Nigeria to do a series of rituals for him in conjunction with seven Islamic priests that were priests of the serpents of the seven oceans. By this act, he effectively handed over the throne of Nigeria to the Leviathan spirit, and we are still dealing with the consequences. God found this act despicable because of His purpose for Nigeria and with time, Abacha fell as the weakest of men.

Following Abiola's crisis of 1993, Nigeria was on the verge of disintegration but the mercy of God prevailed.

About 1999, another important turn in Nigeria's history, when the nation would return to civilian rule, Gen. Obasanjo was also present by the will of God. He may not have pleased God all the way, but he did some things that God still remembers, the most important of which was revoking Nigeria's membership of OIC. To understand the significance of that singular act, you have to read Psalm 83 prayerfully. I pray that the Lord grant you understanding.

You can say many things about Gen. Obasanjo, but he has been a tool that God has used to preserve His purpose for Nigeria at every important turn in our history (Word for the Leaders of Nigeria, Messenger; August 11, 2013).

At different times in that vision I saw this man with a long girdle hold the driver's seat for a long time and he drove it here and there sometimes by the will of God, at other times, by the will of hell and yet at other times entirely by his own will.

In Nigeria's history, the way it was shown me in the vision, the era of man commenced in 1999 with Obasanjo's second coming as the president of Nigeria. Here was a man sentenced to death by one of the most vicious leaders that Africa has ever raised. Imprisoned, condemned to die for a phantom coup and awaiting death, the arms of grace saved him yet again and entrusted him to lead a nation dear to the heart of God and to guide her into jubilee.

If there is any man living in Nigeria that qualifies to answer the father of the nation, it is Obasanjo. He has been the recurring decimal in Nigeria's national life. He was there at Independence. He played a role during the civil war to preserve the plan of God for the nation. He saved the nation from a vicious plan to Islamise the nation during the military era. God used him to terminate the darkness that would have come over the nation during the days when President Yaraduah was sick and imprisoned in Saudi Arabia while men with devious schemes in their heart guided by jezebel's subtlety and craft held the nation to ransom. Once he spoke against President Jonathan and symbolically tore his PDP card, the party and the former president were finished and started going down.

I have often wondered what he did that so much privilege was given to him to play such a pivotal role in directing the destiny of the nation, and the only answer I found that for me explains it is covenant.

The story has been told about him being dedicated to God by his father. According to that story (which I believe); his father was poor but loved God.

At a time when the church in his community was embarking on a project, he did not have money to invest in the project so he took his young son to the priest and handed him over to God, to work for God as his contribution. The priest blessed him and made a proclamation that the nation of Nigeria will need the young boy. It looks as if the nation has always needed Obasanjo whenever it came to a cross road..

If that is true, then it is the equivalent of Hannah and her husband Elkannah giving Samuel back to the Lord. There would not have been a David without Samuel.

In the same vein, God's ordination of President Obasanjo was that he would be an instrument in His hands through whom he would give a David to the nation who would repair the broken down walls.

This was the major reason why he was saved from death and given the chance to bring the nation back on course.

Obasanjo's greatest failure in the sight of God was his failure to pursue this purpose. I do not know everything that happened but here is the Lord's verdict on this matter. The Lord judges that He gave him sufficient light to know the direction to go as far as producing his successor was concerned.

At the time he was leaving office in 2007, the Lord's choice for the nation was somebody from the Middle Belt who had the vision of God for the nation imprinted in his heart and who would have gained some mileage for the nation

I don't have all the details but this is what I figure out. And I believe like Paul that I have the mind of Christ.

I believe that Obasanjo had a genuine encounter with the Lord in the years when Abacha condemned him to death and imprisoned him. I believe that in those days he sought the Lord with all his heart and found Him. He would have reminded the Lord of his father's covenant and entered into his own covenant with the Lord on that basis. I believe that a transaction (covenant)

took place between him and the Lord that enabled him to come to power in 1999. It is not a mean feat in a nation like Nigeria with all the vicious Generals that were hungry for power. It is like the biblical story of Joseph – from the prison to the palace. It does not just happen especially in a nation like Nigeria. God orchestrated it for a purpose and He must have remembered something and He must have had a purpose in mind.

### **Failure of Christian Leaders and Elders during Obasanjo's Presidency**

No one can succeed on the throne without the ministry of prophets and priests. It is the way of the throne and the ordination of God for the throne because the throne is spiritual. Please allow me to throw a little light on this:

- God has His own throne surrounded by elders, some of whom are prophets that served before: <sup>4</sup> *And round about the throne were four and twenty seats: and upon the seats I saw four and twenty elders sitting, clothed in white raiment* (Revelation 4:4).
- Pharaoh's throne was surrounded by satanic prophets: <sup>11</sup> *Then Pharaoh also called the wise men and the sorcerers: now the magicians of Egypt, they also did in like manner with their enchantments* (Exodus 7:11).
- Nebuchadnezzar relied heavily on his own brand of prophets and seers: <sup>2</sup> *Then the king commanded to call **the magicians, and the astrologers, and the sorcerers, and the Chaldeans**, for to shew the king his dreams. So they came and stood before the king* (Daniel 2:2).
- David was successful because he had prophets like Nathan and Gad around him: *For when David was up in the morning, the word of the LORD came unto **the prophet Gad, David's seer**, saying* (2Samuel24:11, emphasis added). *But Zadok the priest, and Benaiah the son of Jehoiada, and Nathan the prophet, and Shimei, and Rei, and the mighty men which belonged to David, were not with Adonijah* (1 Kings 1:8).
- Solomon instituted a government and a priesthood to stand by him and serve the throne: *So king Solomon was king over all Israel.* <sup>2</sup> *And these were the princes which he had; Azariah the son of Zadok the priest,* <sup>3</sup> *Elihoreph and Ahiah, the sons of Shisha, scribes; Jehoshaphat the son of Ahilud, the recorder.* <sup>4</sup> *And Benaiah the son of Jehoiada was over the host: and Zadok and Abiathar were the priests* (1 Kings.4:1-40).
- The traditional thrones in Nigeria are no exceptions: Visit the throne of the Ooni of Ife, Sultan of Sokoto or Obi of Onitsha. They do not lift a finger without consulting their marabouts and seers. Also inquire what happened in Nigeria especially during the Abacha and Babangida years. Some of the most powerful men around these men were priests both satanic and godly. They had them in their numbers. Also pray and ask God to show you what is happening now and why the Church in the Villa is suddenly an aberration that must be muffled.

It is the way of the throne that men do not sit on the throne without some measure of spiritual support because the throne itself is spiritual.

Fresh from prison following a definite encounter with the Lord, President Obasanjo must have realised this need and he tried to lean on some prominent men of God. As the story went, his experience was not pleasant. His disappointment left him open to other spiritual influences.

I do not have the liberty to write this section in plain language but I will tell the story from the Bible and leave you to draw your own conclusions because I believe that you are a spiritual person too, otherwise you will not be reading this.

### **Uzziah's leprosy**

*But when he was strong, his heart was lifted up to his destruction: for he transgressed against the LORD his God, and went into the temple of the LORD to burn incense upon the altar of incense.<sup>17</sup> And Azariah the priest went in after him, and with him fourscore priests of the LORD, that were valiant men:<sup>18</sup> And they withstood Uzziah the king, and said unto him, It appertaineth not unto thee, Uzziah, to burn incense unto the LORD, but to the priests the sons of Aaron, that are consecrated to burn incense: go out of the sanctuary; for thou hast trespassed; neither shall it be for thine honour from the LORD God.<sup>19</sup> Then Uzziah was wroth, and had a censer in his hand to burn incense: and while he was wroth with the priests, the leprosy even rose up in his forehead before the priests in the house of the LORD, from beside the incense altar.<sup>20</sup> And Azariah the chief priest, and all the priests, looked upon him, and, behold, he was leprous in his forehead, and they thrust him out from thence; yea, himself hasted also to go out, because the LORD had smitten him.<sup>21</sup> And Uzziah the king was a leper unto the day of his death, and dwelt in a several house, being a leper; for he was cut off from the house of the LORD: and Jotham his son was over the king's house, judging the people of the land. (2 Chronicles 26:16-21).*

### **The verdict of heaven**

*And thou his son, O Belshazzar, hast not humbled thine heart, though thou knewest all this;<sup>23</sup> But hast lifted up thyself against the Lord of heaven; and they have brought the vessels of his house before thee, and thou, and thy lords, thy wives, and thy concubines, have drunk wine in them; and thou hast praised the gods of silver, and gold, of brass, iron, wood, and stone, which see not, nor hear, nor know: and the God in whose hand thy breath is, and whose are all thy ways, hast thou not glorified:<sup>24</sup> Then was the part of the hand sent from him; and this writing was written.*

*<sup>25</sup> And this is the writing that was written, MENE, MENE, TEKEL, UPHARSIN.<sup>26</sup> This is the interpretation of the thing: MENE; God hath numbered thy kingdom, and finished it.<sup>27</sup> TEKEL; **Thou art weighed in the balances, and art found wanting.**<sup>28</sup> PERES; Thy kingdom is divided, and given to the Medes and Persians.<sup>29</sup> Then commanded Belshazzar, and they clothed Daniel with scarlet, and put a chain of gold about his neck, and made a proclamation concerning him, that he should be the third ruler in the kingdom.*

*<sup>30</sup> In that night was Belshazzar the king of the Chaldeans slain.<sup>31</sup> And Darius the Median took the kingdom, being about threescore and two years old (Daniel 5:22-31).*

## **OUR VERDICT**

In a prophetic vision, I saw a tree fall with a mighty fall. My verdict is between now and September 30, 2017. It needs to fall to give way to the next dispensation – The era of God, where God begins to set the stage for the entrance of nations into the dispensation of the Kingdom, the millennial reign of Christ.

Make your verdict and time will tell. Am I making a death wish? Far be it from me to do that. I have pleaded this matter before the Lord and He said to me that He has given numerous opportunities for repentance, sent numerous priests and visited times without number and He needs to terminate this long girdle to preserve His eternal counsel and purpose not only for Nigeria but for the nations.

My sincere prayer is that there will be room for repentance and proper reconciliation with God so that one does not miss the eternal calling to be with Christ forever, which is the hope and reward of true believers in Christ.

Obasanjo's mandate as the Lord showed to me was to be like Nehemiah who got permission from the king to go and rebuild the broken down walls of his nation. Consider the diligence with which Nehemiah carried out that assignment. First he prayed, then he deployed at night to watch the areas of breach and he carried out that assignment with much discernment totally relying on God. In conversations with the Lord He said to me:

“The questions I will ask him are:

- In whose name did he build? Did he build in the name of the God of Israel or did he build in the name of his own god? Micah 4:5?
- Did he, like Nimrod, lead the people given to him in a manner that everyone was building to make a name for himself?
- Did he represent me that called him to father Nigeria in a manner that has justified the opportunities I have given him?”

The Lord gave Obasanjo a long girdle. That girdle gave Obasanjo the privilege to make a way for God's David. He could have put God's choice on the throne when he had the opportunity before going after a third term in 2007. When he missed it (by going after other gods), the girdle still produced Yaraduah. When God pushed Yaraduah the girdle still produced Jonathan but it was still his girdle.

When he parted ways with Jonathan, did he reflect deeply that it was his girdle on display before changing camp?

In the visions that came while prophesying between 11<sup>th</sup> and 15<sup>th</sup> September 2015, I saw a tree fall and it fell with a mighty fall.

I hear the chords from the harp of the master musician; first playing in low tones and then the sound becomes louder. I hear the chord from David's harp and I am brought into the visions of God.

I see angels ascending and descending: From the highways of heaven to earth. At the top is the Lord God of Abraham; he is mighty . . . .

And the scene changes!! At this point the declaration is the 52<sup>nd</sup> Psalm:

*Why boastest thou thyself in mischief, O mighty man? the goodness of God endureth continually. <sup>2</sup> Thy tongue deviseth mischiefs; like a sharp razor, working deceitfully. <sup>3</sup> Thou lovest evil more than good; and lying rather than to speak righteousness. Selah. <sup>4</sup> Thou lovest all devouring words, O thou deceitful tongue. <sup>5</sup> God shall likewise destroy thee for ever, he shall take thee away, and pluck thee out of thy dwelling place, and root thee out of the land of the living. Selah. <sup>6</sup> The righteous also shall see, and fear, and shall laugh at him: <sup>7</sup> Lo, this is the man that made not God his strength; but trusted in the abundance of his riches, and strengthened himself in his wickedness. <sup>8</sup> But I am like a green olive tree in the house of God: I trust in the mercy of God for ever and ever. <sup>9</sup> I will praise thee forever, because thou hast done it: and I will wait on thy name; for it is good before thy saints (Psalm 52:1-9).*

The major altar that was raised for the nation during the era of man is the altar of self. The major spirit released over the nation was *the spirit of error and corruption*. Anything laid on this altar has only one sentence on it – death and desolation. Jonathan may have had good intentions for the nation but he could not build standing on this altar.

**WORD OF THE LORD:** 6.00 - 6.26am, 13-10-15

**Revelation 22:7:** Son, the end of this matter is this. I am long suffering. I am God and not man. I see Not as men see but I see the things that are hidden in the deepest part of the heart.

All the men I have raised to father this nation have made compromises and sold the nation for a mess of porridge. Starting from My house the men I have raised and given influence have traded like the dark angel to build for themselves and expand their own kingdoms. They have built monuments; acquired massive properties, built schools and expanded their own influence but most of these things have not served My purpose instead they have opened the door for mammon to exact on My people. These are priests who have become Eli, whose visions have become dim and altogether closed and who have lost sight of My own vision for the nation and are building according to their own will and vision. These things will not lead anywhere NOW because we are in my own time NOW and only things that serve My purpose will flourish. **Son, make this announcement with a strong voice that the time of man has ended and we are in My own time.**

The people I have raised as judges (The military leaders) have not judged righteously. They have not judged justly. My word against them is the **82<sup>nd</sup> Psalm**. Proclaim this word against

them from My altar and issue this Decree from **Psalm 149** and **Psalm 52** that the time of their end has come.

They are fathers but they have not acted as fathers. They made themselves into a clique and they aligned with hell. Both the ones who say they are Christians, the ones who are Muslims and the ones who are islamists and traditionalists have one thing in common. They have taken communion with hell to continue to advance the agenda of hell over the nation – some of them willingly, some of them in ignorance because of their greed but they have not served My purpose. They have used the influence I gave them to advance the agenda of hell and I have come to fell them as evil trees. The axes and the instruments I have anointed against them are sharpened and these axes have gone forth from the place of My right hand, the place of My strength and who can stop them? It is like that day in Exodus 12 when the angel of death went forth to slay the first born of Pharaoh. Many of them have become pharaohs and pharaoh's first born and this word has gone forth against them. They will not stand.

**Declare this with a strong declaration. It is My will that your nation be healed. This has always been My will but Now I have come to give time lines.**

It is My will that your nation be healed on the day of her Jubilee. Your nation rebelled against My plans in 1967 when the East led in the rebellion against My plan. Their cause was just, but they fought by the flesh a battle that was meant to be fought in the spirit.

**2017 will be the 50<sup>th</sup> anniversary of that rebellion and I have also come to bring healing in the fiftieth year. Your nation will be healed. I have already released the healing balm. I am a God of foundations. I go back to the East to begin to bring healings to the nation.**

But I have this against the East. They are My people but they rebelled against Me. They turned away from the foundation I gave them in Abraham and embraced the foundation of Nimrod. They multiplied idols for themselves and against the nations. They raised altars in the waters, in their groves and sacred trees and multiplied idols in the heavens through the worship of their Mary which is Semiramis the mother of depravity, indulgence and evil.

This has brought devastation on the land. Do you not see it in the degradation of the environment; in the plagues of gully erosion, decay and backwardness? Aba and Onitsha alone have the resources to support the whole nation but because of evil, wickedness and idolatry these things have remained a curse and the people are ruled by fierce kings who sit over them as gods.

Once a nation rejects the foundation of Abraham which will give rise to the throne of David which is the eternal throne that I have ordained for the earth, that nation has only one sentence and expectation. Nimrod the fierce king and hunter of men's souls will rule over them. This is what has happened to the East. Men tainted by occultism have been their kings. They have ruled them in darkness and raised triangular altars against their own people to keep them in darkness. That cycle still continues especially in Abia and Anambra States the two keys to economic liberation of the East. It is now in the third degree and unless I intervene the people are doomed.

Son, it is in my heart to bring healing, but you must show the people their sins.

**Publish the word I gave you concerning Abia State.** The same word applies to Anambra State. My purpose for the two states is to be the economic capital of the nation. I will show you

the blue print for the development of this axis. You will document it so that the righteous branch will run with it when I bring the righteous branch to the throne. Aba is supposed to be a city of refuge for those who have been raped and deprived. It is My desire to raise from Aba priests who are also kings, prophets who have economic strength and wealth who will take care of those who escape from places of disaster and heat.

The cup of **the north and the thrones of the north** are full before Me. It is My desire to intervene in the north and save some who are appointed for salvation. This will never happen unless I judge the north. In the next year, I will send again Jonah to warn the north to repent and if they fail to heed that last warning, judgment cometh. I will increase the heat and many cities in the north will boil as cauldrons. In the midst of this many will flee to the south especially the east and I want things in place to cater for them.

I will send you again to Afikpo to go and prepare the ground for my visitation. I will visit Afikpo, Abakiliki, Ohaozara, Ohaji, Egbema, Aba, Biakpan and Uyo. Also Degema, Bonny and other places in the east. These are strategic places where I want altars raised for Me to make a way for My intervention.

Son, I am sending you help... (Personal)

From today, My words will come from your mouth as fire and water; Fire to consume the wicked and water to wash the repentant.

These things I come to do today and I want you to stay in my presence and wait and also watch in the night season with My son....

## **WORD OF THE LORD – 23 - 11 - 14 (Edited)**

### **Message For Abia State**

#### **Arise Abians pray before darkness overtakes you.**

I had this conversation with the Lord on Sunday, November 23, 2014. Since then I have wondered what to do with it until yesterday (December 21, 2014), when it became clear to me that I needed to publish it. The dawning came after reading an article by one Rev. Ndukwe Oka published at page 5 of the Sun on Sunday of December 21, 2014, clamouring for the return of a former governor of Abia State. An expression of a spiritual truth I often quote (Revelation brings responsibility) was standing before me and I knew I had a responsibility to share NOW what the Lord had revealed to me.

**Background:** A dear sister from Abia State who has been somehow involved with the state administration at a point had a burden for the state and shared her concerns with me. She wanted me to pray along with her to ascertain the will of God so she could stand on God's side in the scheme of things.

Even though I grew up in Aba and had my secondary in the old commercial town, and later my university education in the state, somehow I have never had a burden to pray for the state the way I pray for the nation or some western states like Lagos State. I promised her that I would

pray and took the matter to the Lord and just left it there. Part of her question had to do with who the Lord was raising to govern the state (in the 2015 elections) to bring it out of the present decay and darkness.

I was in a meeting with a home Church I fellowship with in Abuja on Sunday November 23, 2014, when the Lord came to me in the form of His word (See Genesis 15:1, 4). Amos 8 and Ezekiel 22 stood before me and as I read these scriptures, I knew the Lord was talking about Abia State and answering the petition I made earlier about the state at the sister's request. Please read Amos 8 and Ezekiel 22 to get the gist, as I would want to present my conversations with the Lord the way it unfolded.

### **Conversations**

**Revelation 22:7:** "Son, show the people [of Abia] their sins from Amos 8:1-14; Ezekiel 22:1-31.

Summary of the sins of Abia State:

Revelation 1:7:

Oppression, wickedness, presumption and mammon.

From Amos 8: 4 - 5, summarise the issues that grieve the heart of God concerning subsequent leaders of Abia State that climaxed in the last civilian dispensation and continues unabated in the present dispensation.

<sup>4</sup> *Hear this, O ye that swallow up the needy, even to make the poor of the land to fail,* <sup>5</sup> *Saying, When will the new moon be gone, that we may sell corn? and the Sabbath, that we may set forth wheat, making the ephah small, and the shekel great, and falsifying the balances by deceit?*  
(Amos 8:4-5)

Ezekiel 22 pictures a state that is totally given to evil as Satan's bait has caught up with all strata of society:

*Now, thou son of man, wilt thou judge, wilt thou judge the bloody city? yea, thou shalt shew her all her abomination* (Ezekiel 22:2)

1. **Sin of the city:** Shedding innocent blood, and Idolatry: *The city **sheddeth blood** in the midst of it that her time may come and **maketh idols** against herself to defile herself.* (Ezekiel 22:3, emphasis added, see also Ezekiel 36:17-18).
2. **Sin of the prophets:** Conspiracy and deliberate misrepresentation of God for gains – Ezekiel 22:25, 28.
3. **Sin of the priests:** Violation of the law and profaning God's holy things – Ezekiel 22:26.
4. **Sin of the governing class:** Wickedness, shedding innocent blood and dishonest gains – Ezekiel 22:27.
5. **Sin of the people:** Oppression, robbery and taking advantage of the poor and needy – Ezekiel 22:28.

The result of all this: God has departed from the land, the land is defiled, needing cleansing and genuine revival.

*Son of man, say unto her, Thou art the land that is not cleansed, nor rained upon in the day of indignation (Ezekiel 22:24).*

**Revelation 22:7** Continuing: “I will reckon with them concerning the taking of my name in vain.”

*Thou shalt not take the name of the Lord in vain, for the Lord will not hold him guiltless that taketh His name in vain (Exodus 20:7:)*

Is it a light thing to say I am God’s own state, and then turn around to do and be exactly the opposite?

The sins of Abian’s classified: As it was impressed in my spirit during the conversations:

- Mammon (Especially, Abiriba, Ohafia, Igbere Axis)
- Occultism (Especially, Abia South more particularly, Isiala Ngwa)
- Wickedness (almost all parts of the state)
- Lewdness (Especially Ukwa and Azumini side)
- Witchcraft and divination (Especially Arochukwu side).

**My vision** (About 12 noon, during the worship):

I saw the Lord standing at the navel of Nigeria in Kogi State, at the Niger/Benue Rivers confluence. He was standing on the earth with His left foot and His right foot was upon the sea (Revelation 10:2).

I was astonished at this vision and I asked the Lord the meaning of it.

**Revelation 22:7:** “Whenever I want to extinguish the Egyptians in any nation, I part the waters of the land. I have come to part the waters of the land” (See Exodus 14:16-26).

Revelation: 1:7: “What does it mean to part the waters of the land?”

**Revelation 22:7:** “The spiritual kingdom that satan uses to control the nations are hidden in the waters of the land. (See Ezekiel 29:3; Nahum 2:6-7; Isaiah 23:4).

*The gates of the rivers shall be opened and the palace (in the river) shall be dissolved and Huzzab (enthroned in that palace) shall be led away captive (Nahum 2:6 -7a).*

When I want to expose the hidden spiritual architecture of any nation, I part the waters of the land to reveal this hidden kingdoms, their thrones, the character of their altars, the priesthood (that services the altars), the worshippers therein and the thrones and mantles it has released over the nation.

When I release my sons and equip them with battle axes to hew down these altars, their primary assignment is to, like Moses, receive a rod from Me through which I can part these waters

(Exodus 14:16). As these waters are parted, the Pharaohs, the horses and their riders are disgraced and thrown down.

<sup>26</sup> *And the LORD said unto Moses, Stretch out thine hand over the sea, that the waters may come again upon the Egyptians, upon their chariots, and upon their horsemen (Exodus 14:26).*

*Pharaoh's chariots and his host hath he cast into the sea: his chosen captains also are drowned in the Red sea (Exodus 15:4).*

I am giving you a new axe to cut down **Jezebels** and **Pharaohs** that have received estates from satan.

Spiritually, . . . name withheld (a former Governor of Abia State) and his mother received (from satan) the whole of Abia State as their estate. Their design was to establish a dynasty of living snakes and in that way control the state from generation to generation.

Their triangular altar is established at the gate of Umuahia from Okigwe, at Aba waterside and at Umuariam (I don't know if there is any place like Umuariam in Nigeria but that is the name I heard in my spirit during the conversation).

### Altar of Jezebel in Abia State

They sacrificed to the queen of heaven virgins, elders and infants and led the entire state into idolatry. They gave money from their altars in the rivers to leaders in the church including My servants dear to Me (. . . , . . . and . . . (names withheld) and many of the true priests in the East.

Many of them desired recognition from government and in that way their priesthood was compromised.

Three levels of repentances are involved. Publish this word to those praying for Abia State.

- Let these priests who received money from them return the money he gave them and denounce him openly and condemn the evil of his doing. This way the veil over them will be removed and they can exercise the power of their priesthood. If they will do this, the tide will begin to change.

. . . (a sitting Governor) is not the issue in Abia State for he is an extension of this wickedness perpetuated by . . . (a former governor). He is his son (spiritually) and an extension of his throne.

If these priests who did this collusion with him will not denounce him openly, I will remove them from their offices in relation to the land and within two years raise Me another priesthood through whom I will judge and restore Abia State.

- Meanwhile, those praying for Abia State should cry in repentance over these abominations. They need to cry for the restoration of the teaching priesthood because there is presently a *famine of My word* in the whole of Abia State as a result of the priests that I raised over the land selling their priestly garments for money (See Amos 8:11-14; 2Chronicles 15:3-6).

*Behold, the days come, saith the Lord GOD, that I will send a famine in the land, not a famine of bread, nor a thirst for water, but of hearing the words of the LORD (Amos 8:11).*

Son, look at the land: Do you not see dryness, destitution, famine and slavery?

### **God's vision for Abia State**

Yet the situation presently is far from My vision for the land for I called them a company and land of priests, a city of refuge, a place where My glory will be seen in the streets and at the bus stops. That is why Abia is called 'God's own state.'

If the land should repent, within four years light crude oil of the highest grade will flow from the land of Abia State in the Ukwu axis and most of the wells will be in private hands.

Private refineries that have defied solution in the nation will exist and function profitably and efficiently in different quarters of Abia State. Private power stations that will supply power to distant lands will be built in the state and they will become a model for functional small scale industries. The shoe and clothing industry in Abia State will explode and increase at a rate that people will not believe.

Within two years also, if the priests do their homework, I will cut down mother and son who is a model of Semiramis and Nimrod which is the secret behind their power.

The secret of their throne is a marriage between mother and son in the order of Semiramis and Nimrod and . . . , . . . (names withheld, associates of the former governor) and others that they raised are the spiritual sons of this marriage.

### **. . . And others**

All who served in any capacity in his government were initiated into spiritual sonship through oath-taking at various shrines especially at Okija. Most (who did not go to the shrine) were initiated through the serving of satanic communion through feasts.

To be delivered from this, they need a priest with My apostolic rod before whom they will confess, renounce their initiations and their vows and do restitution that I will recommend in each case.

Ask . . . , . . . and others if they are ready to truthfully go through this process (of renunciation and deliverance?)

Abia State is a deep issue because of the depths of its initiation into hell. The gate of hell is open in Abia State and it needs to be closed.

### **The call for women intercessors (Jeremiah 9:17-18).**

Are there women who can cry and stand for Me to do these things?

- First, for My fire upon the land to cleanse it from pollution (Isaiah 4:4-5).
- Second, to redeem the throne (Psalm 122:5).
- Third, to raise a David who will sit on the throne (Luke 1:32).
- Fourth, to open the gate of heaven over the land to make it truly My own state (Isaiah 2:2-3). Presently, heaven is closed over Abia State. Abians should not deceive themselves.

Satan went ahead to colonise Abia State because of My purpose but I Am ready to restore it if sons will arise and stand up for My purpose which is being obscured.”

Revelation 1:7: ‘Thank You Lord. Grant me the grace to do well for You in this assignment of clarifying the issues and also to do any other part that You will assign to me.

Worship song: “You are the mighty God, the Great I am, Alleluyah, Alleluyah.”

### **A prophetic call**

If you are from Abia State, or the Eastern part of Nigeria or you love Nigeria as a nation, please pray for Abia State and pray for the people of the East. As we prayed for the Lord’s purpose for Nigeria, the Lord started to show us His strategy for restoring Nigeria. The East will rise first before the Nation of Nigeria can move forward into her destiny. Holding the East back is holding the nation back. This is the wisdom of God and His order.

In praying for Nigeria, we must not forget the North also. History has shown that whenever God wants to intervene in the affairs of any nation and change the order, He moves the forces of the East and also the forces of the North.

<sup>1</sup> *Keep silence before me, O islands; and let the people renew their strength: let them come near; then let them speak: let us come near together to judgment.* <sup>2</sup> **Who raised up the righteous man from the east, called him to his foot, gave the nations before him, and made him rule over kings? he gave them as the dust to his sword, and as driven stubble to his bow** (Isaiah 41:4-2).

As Israel moved through the wilderness into the Promised Land, the Lord gave them a strategy to re-create the order around His throne and for the camp of the East to move first, otherwise the whole camp will remain stagnant.

*5 When ye blow an alarm, then **the camps that lie on the east parts shall go forward.***

<sup>14</sup> *In the first place went **the standard of the camp of the children of Judah** according to their armies: and over his host was Nahshon the son of Amminadab (Numbers 10:5, 14).*

To bring us to the point where we can carry out the Lord's assignment in humility, the Lord started to send us to the East to see the issues. First He sent us to Anambra State and showed us the state of the East – an area wholly given to idolatry and held bound by religious spirits. The day He sent us to Aguleri shortly before the 2013 governorship elections, I counted more than hundred roadside sacrifices and encountered altars raised to water spirits and the queen of Heaven in worship houses and main roads all over the land. Satan's highest altar in Nigeria that was in a church of a false prophet in Lagos State has been judged and dislodged. A religious priest from the East is presently fighting to relocate that altar to the East, precisely in Enugu. Praying people must not allow this to happen because it will set God's agenda back by many years.

Mammon and the Queen of Heaven are having a field day in the East because of the people's obsession with money and breakthrough at all cost and this is delaying the whole purpose of God for the nation of Nigeria. We must pray with knowledge and understanding and not presumptuously as if all is well when the Lord is grieving for the sin of the land.

### **Closing the era of man**

In the vision I saw, the era of man for Nigeria covered the period from the beginning of the fourth republic that started in 1999 and is still running. The emergence of democracy in Nigeria on May 29, 1999 ended 16 years of consecutive military rule. Olusegun Obasanjo once assumed the mantle of leadership entirely helped by God and put on the throne by His sovereign grace and mercy.

After completing his term of eight years allowed by the constitution, President Obasanjo single-handedly chose his successor Umaru Yaraduah and imposed him on the nation. Yaradua could not continue on account of ill health. His destiny was settled once he embraced the Islamic agenda. He took ill the week he opened the door of the nation to the D9 group of Islamic nations whose agenda is from hell. He was standing on Obasanjo's girdle and he pulled the girdle on him.

God enthroned Jonathan without the necessity of running for an election. The Lord helped him in 2011 when it was time to go for an election. Earlier by 2010, we had started meeting with some influential Christian leaders to pray for the nation and seek His direction for the people.

When Gen. Buhari chose Pastor Tunde Bakare as running mate, this affected the group as most of the leaders leaned toward the duo because according to them, these were a people of integrity who would at least fight corruption.

This did not sit well with me whereupon I asked a simple question: What is God saying about the matter? Some of them said that we did not need to seek God since He has given us wisdom and choice, that we should decide what was best in the circumstances and ask for His blessing.

We left the meeting determined to seek God and when we did His word came to us expressly. He asked me to write what He was saying over the 2011 election, publish it in a book and circulate it through all available media. He helped us on the matter and I did all that. In page 339 of my book *In The Master's Presence* I declared that God was giving the throne to President Jonathan for a purpose. Permit me to quote the Messenger in an article we published before the 2015 general elections.

“He said then that He was raising President Jonathan with a singular mandate to work on the foundation of Nigeria and make a way for the emergence of David through whom He would build Nigeria.

The Lord gave us this word then which we published and also documented in *In the Master's Presence*:

Jonathan is clearly My choice for your nation NOW. He is a tool in My hands. He does not have all the answers but there is a softness and innocence about him that will give Me room to pave the way for the David that is coming. Help the elders to understand what I am saying now. Some of them have developed waxes in their ears through years of doing their own things that make them stay with *their fixed positions even when I am saying a different thing. I am involved in Nigeria now. . .* (See p.339 of the book).

*The Lord said clearly that the divine mandate he was giving to President Jonathan was to prepare the way for the David that he was bringing to sit on the throne of Nigeria. Jonathan is to lay the foundation that will lead to the emergence of this David. That is the divine mandate of God to him and we have a duty to watch over him in prayers to ensure that this agenda is not high-jacked or aborted. We have a duty to continue to pray so that the President will be focused on this prophetic mandate of God, because once he tries to exceed it his presidency will become irrelevant. I believe that is what happened to the former Nigerian president.*

If this is the mandate of the Lord for President Jonathan, then it follows that God will assess him based on how faithful he was in executing the mandate.

## GOD'S ASSESSMENT OF PRESIDENT JONATHAN:

The Lord said clearly that President Jonathan had not performed very well in fulfilling the mandate He gave Him. Jonathan's rating in the sight of God dipped to almost zero when he missed the opportunity to execute judgment against the oil thieves during the petroleum subsidy scandal. Prior to that period, the Lord was showing me President Jonathan sitting on the throne like an effigy wielding the judgment sword. But because he was like a statue (maybe demobilised through sorcery and witchcraft) he was unable to use the sword that the Lord put in his hands to execute judgment. I shared this vision with intercessors and we prayed for him and denied ourselves for many nights until God showed us that life had come back to him.

His failure to use the sword then was therefore a choice that he made for his own reasons, and this choice angered the Lord and reduced his rating in God's sight.

From 2013, the Lord spoke to us clearly that He had identified a David through whom He would rebuild Nigeria.

Confirmation that this was God's purpose came from different quarters including a prophetic demonstration of his throne descending in one of our meetings.

When therefore many prophets and church leaders were backing him for a second term I was among the few voices saying that God had taken the throne from him. Let me also quote from Messenger in the article *WHO IS GOD'S WILL FOR NIGERIA FOR 2015?* published on October 8, 2014 many months before the 2015 election.

I am aware that intercessors everywhere and the true Church have been praying since at least 2013 asking the Lord to show where He stands concerning 2015. In the group I belong to, our cry to the Lord has been – *Lord show us where You stand concerning 2015 so we can stand behind You.*

I may not have all the answers but I believe I heard from the Lord on this matter and that is why I am bringing this word for your consideration and evaluation.

The word of the Lord came to me clearly in April 2014. We travelled to Kenya for ministry to share the Gospel of the Kingdom with leaders in Kisumu.

The day I was given opportunity to minister, I was sharing with Kenyan pastors on another matter entirely when the Lord broke in on me and spoke concerning 2015. A brother recorded the speaking which I later transcribed:

**First word received and declared in Kenya in April 2014:**

*. . . And the Lord said I should declare to the President of Nigeria that it is NOT HIS WILL that he comes back to office (in 2015). I am speaking to the Nation of Nigeria. But the Lord said that He will spare him on account of the one good thing he has done (Signing the anti-Gay Legislation). That for once in his administration, he has agreed on the side of God.*

*The Lord said, when He brings His sword of judgment on Nigeria that He will spare the President. I speak to you O President Goodluck Jonathan that it is NOT the Will of God that you come back as the leader of Nigeria from 2015 because the Lord has chosen Himself a man. It is God who makes kings. (Read Deuteronomy 17:14-20. See also Daniel 4:25, 32; Romans 13:1). God is the one who appoints Kings. God appointed him in 2011 and the Lord gave us that word to proclaim to the nation of Nigeria that he [Jonathan] was His choice (in 2011). People opposed it but we said this is what the Lord is saying. The Lord upheld him, because He was bringing him to the throne to do a job and the Lord says that he has not done that job well; that he has not done the one thing He brought him to the throne to do - to judge wickedness and evil because he was afraid of men. The Lord gave him His sword of judgment many times but he refused to use it and because of that the Lord said that his lease has expired; that He has withdrawn His protection.*

*The Lord said that President Jonathan is Jonathan of the Bible (David's friend). That he came to prepare the throne of Nigeria for somebody He is raising. The Lord said that He is raising that person. He has hidden him in the palm of his hand. He is speaking to him [the David] and the Church is speaking and prophesying.*

*The Lord said that He is hearing the prayers of people that are praying and crying for relief and saying, Where is our God. The Lord says He has heard your voice. He declares to the nation of Nigeria, to the people, to Zion of Nigeria that He the God of Heaven has not forgotten them; that He does His work in seasons. That He is raising (Himself) a vessel and He says Jonathan is not the person.*

*That if he [Jonathan] will not take this counsel, He will withdraw His support and whatever he sees on the throne, that he will take.*

*But the Lord says He will spare him because he [Jonathan] took sides with him in the matter of anti-Gay Legislation (His controversy with the people of this age).*

*Declared in Kisumu, Kenya 14-4-2014.*

*Messenger.*

This message is recorded and if you request we could send you a link to the recording.

In February 2015 shortly before the elections the Lord gave us a word to warn the Church that He had moved beyond Goodluck Jonathan and we did. I published that word to every leader I knew and it got me into trouble with a few of them.

### **To the nation**

I re-affirm the mind of the Lord concerning the 2015 general elections: The Lord has finished with President Goodluck Jonathan. His word came to us in March 2014 while on assignment in Kisumu, Kenya. .... is not the saviour. .... ( a person currently in power) has been raised by hell to perpetrate a sinister agenda. The word of the Lord came to us on June 24, 2013 about the APC and the gang raised by hell, long before the current scenario started unfolding. Let me quote the word the Lord gave us in the early years of APC's formation long before it became likely that APC would mount a serious challenge for the Presidency. You can visit [www.kingdomnewsng.com](http://www.kingdomnewsng.com) to read the full publication, or we can mail the publication to you upon request.

Unless we understand the issue of thrones we will keep blaming our leaders without realising that a throne releases influence. If it is an evil throne, it will keep releasing evil influence and even when a good person sits on it without dealing with the throne, the throne influences him to do evil. The history of the Northern Kingdom of Israel and the Southern Kingdom of Judah bear testimony to this. All the kings that sat on Jeroboam's evil throne did evil in the sight of God. Conversely, almost all Kings who sat on David's righteous

throne in the Southern Kingdom pleased God. Intercessors especially those who have access to pray for governments should war against evil altars and thrones especially in the early hours of the morning between 12 midnight and 3am.

To further reinforce what I had written by the Spirit of God, the Lord showed me another vision on June 24, 2013. I was praying at the Revival Altar and I began to see what looked like a dark chamber with various characters transacting as in a board room. As I probed the matter, the Lord gave me a word to enable me understand what was happening: Here-in-below, I reproduce the word of the Lord.

**The sixth chamber of hell:**

The Lord Jesus Christ (Continuing) The sixth Chamber of hell is the Boardroom of hell. This is the place where Lucifer, the three other fallen principalities of his rank (Leviathan, Apollyon and Belial), the eight powers (lower angelic spirits - See Ephesians 6:12) with other chosen demonic spirits meet with men that are higher initiates in the occult to devise strategies for prolonging satan's rule on earth and entrenching the current world system. It is in this chamber that strategies are plotted to decide access to political and economic power at the highest level.

The decision as to who becomes the president of strategic nations are taken at this level. Also decisions as to who heads important world institutions like the UN; World Bank, IMF; etc are taken in this chamber.

**Nimrod** (Genesis 10:8-10) is the first human being to be initiated into this chamber. The price he paid was to trade in his soul and give his body to satan to gain access to the earth and also to beget evil children through whom satan would gain a foothold on earth. (This is the mystery of iniquity – See 2Thessalonians 2:7-12; Psalm 87:4).

Four countries (among others) are the subject of discussion in this chamber at this time because of their strategic connection to the end-time work of the Cross. The countries are – Nigeria, South Africa, Australia and Argentina.

These countries are very crucial in what I am going to do on earth in these last days.

The major strategy that hell has used to hold down these countries is to weaken the Church through divisions and denominationalism to hide their glory and hide their wealth through wars, natural disasters and mis-governance. Mammon and Leviathan are much active in these nations now (See Revelation 13). The voices I have

raised in these nations are either compromised through mammon or they are conquered through pride (leviathan).

The new voices I am raising now in the Remnant Church to lead the attack against these twin spirits must wear the antidote to mammon and pride. They must wear holiness as a cloak to retain Mypresence which is the antidote to mammon and also wear humility as a cloak which is the antidote to leviathan.

### **Nigeria 2015:**

Revelation 22:7: You ask concerning 2015. What if I opened your eye to see what is going on in the chambers of hell. APC (All Progressive Congress) and the mergers are the plans birthed in the 6<sup>th</sup> chamber of hell to produce hell's choice for the leadership of your nation .... Many of My people have no discernment. Many of those that should seek Me and find out have lost their sight and vision and so they are seeing as mere men. The chambers of hell have recruited enough men, paid enough price through massive blood sacrifice and self denial to hijack the process if there is an election. So what if I told you that there would be no election? (*the process will not count in the long run*). Pray rather and get praying people to pray along these lines . . . ." (Messenger Newsletter, November 2013).

During our recent prophetic meeting, one of the sons of the prophets who is not familiar with this publication still saw into this chamber of hell and the Lord revealed what was cooking thus confirming this revelation.

### **The word of the Lord concerning the 2015 election**

The Lord is saying that His heart is set on raising a David for the nation of Nigeria through whom He will rebuild the old ruins. The Lord said that the David He is raising is a young man from a certain section of the country, and that he is not yet a household name in Nigeria.

We asked the Lord how can this be and His word came back to us strongly:

*The mystery of CIRCUMSTANCE will work in your nation in 2015 and I will use circumstances to enthrone David Conversations. 31-12-14.*

*2015 will be like a knife in My hands. With it, I will cut down corruption. With it, I will cut down some things in the foundation*

*of your nation that many have given up on, many have said, This can never be done. With it, like a knife in My hands, I will cut down the bondage of many generations - things that were put into the foundations (of Nigeria) to make it difficult for My counsel to manifest.*

*That is why 2015 is like a knife in My hands. That is why I have come and I have not hidden My counsel from you. That is why I have come and I have not come alone. I have come with an army. Oh! that your eyes will be opened to see the host that is waiting for your command. (Word of the Lord, September 30, 2014).*

*Thus saith the Lord God; Remove the diadem, and take off the crown: this shall not be the same: exalt him that is low, and abase him that is high.<sup>27</sup> I will **overturn, overturn, overturn**, it: and it shall be no more, until he come whose right it is; and I will give it him (Ezekiel 21:26-27).*

From the above and with the benefit of hindsight, you could see that the best thing President Jonathan would have done was to prayerfully seek God who would have shown him the person to hand over to through whom David would come. But he listened to selfish counsel and missed the opportunity.

The present dispensation is for the judgment of the Church and some things in the nation but it will not last.

### **From now to when?**

The nation of Nigeria is on the terminal end of the era of man where God will interrupt in judgment to preserve His purpose.

I will illustrate it like this, the way it was shown to me in the visions. Let us assume we have a 12-hour time piece programmed to stop at noon. I will say we have gone past 11.00am in the era of man. We have less than an hour to the termination of the present era and the coming of the seventh dispensation for Nigeria which is the Era of God where God has a David on the throne who will dedicate the nation to Him.

In the era of man, God chose a man who was dedicated to him from birth and gave him every opportunity to help in birthing His purpose but like Adam he failed. The only way God could save His purpose was to intervene from heaven and send His own begotten Son. God is set to do that for Nigeria.

During the era of God, He will set on the throne of the nation a son like David whom He has begotten through covenant made with the fathers, a man of vows and sacrifices. David will have the spiritual resources to deal with death that is on the throne of Nigeria, contend for its rebirth and dedicate it back to God.

It is said that Obasanjo has both heaven and hell in him. It is true. His life like that of Moses encapsulates the dilemma that is Nigeria; a land full of good people but yet full of evil and evil people. A land so blessed by the Almighty, but yet so cursed by the actions of its inhabitants especially its rulers.

I saw this emerging era of God in the visions. It is like the break of dawn after a long dark night. I look forward to this era and I yearn and cry for it with all my being. The Lord bids me wait in hope. This era cometh! It is just by the corner, saith the Spirit of the living God.

### **Before the era of God**

If you draw a cross across the map of Africa and place a man on that cross, you will see that the heart of that man will be around Central African Republic and Democratic Republic of Congo. Today those countries are in turmoil.

The left hand would be around Somalia. Today, Somalia lies in ruins and tatters.

The right hand of that man would be around Nigeria. Today, Nigeria is not totally in tatters but a vicious army from hell, supported by the Islamic world is fighting from the North East to reduce the nation to ruins. The CIA (not a blessing to anyone including America) had prophesied that Nigeria would be no more starting from 2015. But God frustrated their plan to self fulfill that prophecy by intervening once again to save His purpose in 2015 the year Nigeria was programmed by hell to cease from being a nation before God.

These are NOT coincidences. God has kept, saved and preserved Nigeria for His own purpose.

Human history is the stage where the eternal plan of God for mankind is worked out. God earned the right to intervene, superintend and direct human history in two ways.

First, by right of creation He has the prerogative to direct the affairs of mankind. That prerogative is encapsulated in His name, El Elyon which means *the Possessor of the heavens and the earth*. Psalm 24: 1, *The earth is the Lord's and the fullness thereof, the world and they that dwell therein.*

Another scripture calls Him the governor among the nations; For the kingdom is the Lord's and he is the governor among the nations (Psalm 22:28).

Secondly, by right of redemption He earned the right to decide the outworking of human history. We see this dramatised for us in the events that took place in heaven that the revelator was given the privilege to capture and put on record for humankind, in the same way as I am getting the privilege to share the vision I was shown. This is the whole subject of Revelation chapters four through six. The sequence of events as recorded is as follow:

- John was transported in the spirit to witness events in heaven where He saw God's throne set (Revelation 4:1).
- He witnessed that creation had a need to open a sealed book which was in God's hand.

- A proclamation was made in the three realms, the heavens, the earth and under the earth but NO ONE was found worthy to open the book or look therein (Revelation 4:3).
- John who understood the implication for mankind started weeping thinking that all hope was lost until an elder comforted him with these words: *And one of the elders saith unto me, Weep not: behold, the Lion of the tribe of Judah, the Root of David, hath prevailed to open the book, and to loose the seven seals thereof (Revelation 5:5).*
- He saw the resurrected Christ in form of a Lamb (a reference to His sacrifice on the cross) who took the book from the hand of Him that sat on the throne and started unfolding the events in human history from the Church age to the end of the present age. The events are dramatised in the vision in the form of horses that were released to play their part in history as He opened the seals showing that He was in control of history.

The first horse that proceeded, a white horse refers to the era of religious deception and Catholicism. This era witnessed the inquisitions, the heresy trials and the crusades against the Jews that saw the murdering of millions of people in the name of God. *And in her was found the blood of prophets, and of saints and of all that were slain upon the earth (Revelation 18:24).*

The red horse referred to the era of communism and the iron curtain that imprisoned and held one half of the world in an iron grip until 1991 when communism failed with the disintegration of the former Soviet Union.

The black horse rider, a reference to godless capitalism with its sentencing of the majority of the human population to famine, deprivation and hunger in the midst of plenty. This era has witnessed the brazen attempt by satanists congregating through different ancient cults with illuminati at the fore front to control humanity through the media by controlling food production, the pharmaceutical industry and the financial institutions of the world. Through these institutions they develop policies that the poor nations of the world are forced to buy into even when it is hurting their economy. They control the governments, decide the policies and also use military power to topple disobedient governments. This has caused wars, instability and disorder in more than one half of the world and this has given rise to massive famine even among nations that are blessed and endowed. This era running in the background has overlapped other eras culminating in 2008 in the meltdown of world financial systems.

### **The season of the pale horse**

*And when he had opened the fourth seal, I heard the voice of the fourth beast say, Come and see.<sup>8</sup> And I looked, and behold a pale horse: and his name that sat on him was Death, and Hell followed with him. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth (Revelation 6:7-8).*

This scripture is revealing the era of Islamic fundamentalism and terrorism. On the borders of Israel, two terrorist organisations, Hamas and Islamic Jihad are waging a bitter war against the people of Israel. On the other side of the border in Syria, ISIS an organisation that believes it is the vehicle chosen to fulfill prophecies given by the

prophet of Islam is killing, maiming and beheading people causing a massive refugee crisis across the entire region which is now extending to Europe. To show you that this is a hellish agenda propelled by a spiritual satanic intelligence, no neighbouring Arab/Islamic nation has lifted a finger to take in or help these refugees. Rich Arab/Islamic nations including Saudi Arabia, Qatar, United Arab Emirates and others have closed their borders against their Muslim brothers. Instead, Saudi Arabia is offering to build hundred of Mosques for them in far away Europe.

Russia and China have entered the fray setting the stage for possibly the conflict that will close this age. In Nigeria, Boko Haram is killing from the North East and strategising to extend their operations southward.

All this is happening because of satanic infiltration of mankind like in the days of Noah. People have become so vicious and can kill without qualms because the spirit of hell and death possesses many who are disobedient to God's word. There is no answer to these things apart from the Gospel of the Kingdom and the Church of God.

### **2017 and beyond**

*Come ye near unto me, hear ye this; I have not spoken in secret from the beginning; from the time that it was, there am I: and now the Lord GOD, and his Spirit, hath sent me.<sup>17</sup> Thus saith the LORD, thy Redeemer, the Holy One of Israel; I am the LORD thy God which teacheth thee to profit, which leadeth thee by the way that thou shouldest go.<sup>18</sup> O that thou hadst hearkened to my commandments! then had thy peace been as a river, and thy righteousness as the waves of the sea:<sup>19</sup> Thy seed also had been as the sand, and the offspring of thy bowels like the gravel thereof; his name should not have been cut off nor destroyed from before me.<sup>20</sup> Go ye forth of Babylon, flee ye from the Chaldeans, with a voice of singing declare ye, tell this, utter it even to the end of the earth; say ye, The LORD hath redeemed his servant Jacob (Isaiah 48:16-20).*

The Lord has a blueprint that He has prepared for every nation on the face of the earth.

Through the Fall, satan gained the right to distort this blueprint and cause the nations to read a wrong version of it. The wrong version seeks to build Babylon, exalt the altar of Nimrod and invariably lead the nations to hell.

Through the sacrifice on the cross, the Lord gained the right to take custody of this blueprint. Notice that in Revelation 5:1-7, the Lord opened the book but He did not read from it:

*<sup>1</sup> And I saw in the right hand of him that sat on the throne a book written within and on the backside, sealed with seven seals. <sup>2</sup> And I saw a strong angel proclaiming with a loud voice, Who is worthy to open the book, and to loose the seals thereof? <sup>3</sup> And no man in heaven, nor in earth, neither under the earth, was able to open the book, neither to look thereon. <sup>4</sup> And I wept much, because no man was found worthy to open and to read the book, neither to look thereon. <sup>5</sup> And one of the elders saith unto me, Weep not: behold, the Lion of the tribe of Juda, the Root of David, hath prevailed to open the book, and to loose the seven seals thereof. <sup>6</sup> And I beheld, and, lo, in the midst of the throne and of the four beasts, and in the midst of the elders, stood a*

*Lamb as it had been slain, having seven horns and seven eyes, which are the seven Spirits of God sent forth into all the earth.*<sup>7</sup> *And he came and took the book out of the right hand of him that sat upon the throne* (Revelation 5:1-7).

The right to read from the book is given to believers, who like Moses, journey to the place of sonship such that they move beyond the outer and middle courts and become part of the inner court. Revelation 5:10 calls them *Kings and Priests*. The place of the throne is the place where the secrets of God are revealed. The throne is also a place of His power and those who journey to the throne have access to His power.

Before the throne, the blueprint written for communities, nations, spheres, institutions and peoples, is an open book and those who journey to the throne as kings and priests can read from it.

**In the visions I saw the blueprint of the nation presently called Nigeria and I could read what is written concerning the nation.**

I have talked about the past, now let me talk about the present and the future.

**The present administration that came into being in 2015 is a stop gap that God has allowed to preserve His purpose.** I saw the president sitting at a table in the state house but he was not sitting on the throne. The throne of the nation is empty, covered by a cloth with green, white/blue and green. Could this be the new flag of the nation?

I saw that it was written for Nigeria to be called by a new name which the mouth of the Lord shall name. The name I saw is PISONIA.

It was given to President Buhari to take the judgment sword that President Jonathan could not use to judge the peoples, institutions and situations that Jonathan could not judge out of fear of man.

I saw a detailed vision which I represented in a drawing. I will present the drawing and describe what I saw (See Appendix A).

I saw two stumbling blocks before him:

- a) The stumbling block of Israel and the Palestinian agenda:
- b) The stumbling block of the Islamic agenda.

Once he errs on either, his administration will become irrelevant and the seat will be taken from him either by death, crisis, bloodshed or other circumstances.

The Palestinian burden: See the Messenger's article on the Palestinian burden first published on September 27, 2011 and re-published on September 28, 2015.

The vision on the plane: Let me quote the Messenger's Diary of September 26, 2015:

**Experience: the Islamic agenda is cooking**

@ 7.50am while on board Air Peace to Abuja:

As we ascended I was brought into the visions of God. I saw a portal in the air in a tectonic line where high initiates in the occult use to connect to the altar of Nimrod that is in the immediate vicinity in the sun.

I saw (name withheld) on the border line of the altar. He was wearing his late mother's face with his hands on his head as if he was just realising that he has been deceived.

I saw the . . . (an emir), the . . .(another emir), . . . . and a former president of SCIA. There were boxes of money behind them which they have just received from the Saudi monarchy for their co-operation.

Then I saw the . . . . . He was like a dead man yet he had life in him but not his own life. It was like another spirit like a bat and a butterfly entered him at the time . . . and different groups were subjecting him to various initiations and rituals to help realise his quest for power.. This spirit was sent from the Saudi throne, it is the spirit of the khaba stone.

I sensed in that vision that he has been instructed to work and support the creation of the Palestinian state. He looked weak in that vision and looked like a man who has lost the power to think for himself but instead was under the influence and control of external forces that were stronger than himself.

The Spirit of the Lord said to me: *Send out the Palestinian warning in words that I will give you.*

*Then pray that the whole process will be in My hands and that I will use it to work out My purposes.*

*Watch over . . . (a sitting northern governor) in prayers. He is being positioned to succeed . . . because they have known that he is marked for death.*

*Once they have finished using him, that spirit will leave him and he will go.*

*. . . (the sitting governor) will encapsulate twice the volume of evil he carried. So watch over him and declare that he will not succeed.*

*Publish the Palestinian burden. The season for Isaiah's burden of Arabia, the prostitute that sits on the waters is finally come. I am sending angels Courage and Boldness to stand with you as you go.*

*I am with you as Adonai and Jehovah Sabaoth.*

Revelation 1:7: Thank You Lord. What is the Altar of David that you have been asking us to raise. . . ?

Revelation 22:7: The Altar of David is for the salvation of the nations. Only nations that are aligned to the throne of David will go with Me into the millennium. Therefore, you will raise Me a throne of David in Abuja . . . .

Messenger!! 26-9-15 @ 7.50am.

## 7. The era of God

In the visions when I came to the seventh segment entitled the Era of God something happened. It was like my body changed and I was looking from outside the underground city. Even though we were still in this city under the waters, yet at the same time it was as if we were also looking from outside the waters. The light from the angel that was leading me was shining to illuminate the entire scene but a light came from another horizon altogether separating the era from the previous six eras. It was like this underground city with all the vibrations it emitted from the network of altars, sacrifices and priesthood was entirely powerless concerning the counsel of the seventh era.

Everything existed in another dimension outside the reach of the powers that determined the events of the previous six eras.

The word of the Lord was printed in my heart concerning this seventh era and I had understanding:

<sup>1</sup> *Nevertheless the dimness shall not be such as was in her vexation, when at the first he lightly afflicted the land of Zebulun and the land of Naphtali, and afterward did more grievously afflict*

*her by the way of the sea, beyond Jordan, in Galilee of the nations. <sup>2</sup> The people that walked in darkness have seen a great light: they that dwell in the land of the shadow of death, upon them hath the light shined. <sup>3</sup> Thou hast multiplied the nation, and not increased the joy: they joy before thee according to the joy in harvest, and as men rejoice when they divide the spoil. <sup>4</sup> For thou hast broken the yoke of his burden, and the staff of his shoulder, the rod of his oppressor, as in the day of Midian. <sup>5</sup> For every battle of the warrior is with confused noise, and garments rolled in blood; but **this shall be with burning and fuel of fire.** <sup>6</sup> For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace. <sup>7</sup> Of the increase of his government and peace there shall be no end, upon the throne of David, and upon his kingdom, to order it, and to establish it with judgment and with justice from henceforth even for ever. The zeal of the LORD of hosts will perform this (Isaiah 9:1-7).*

<sup>25</sup> *As he saith also in Osee, **I will call them my people, which were not my people; and her beloved, which was not beloved.** <sup>26</sup> And it shall come to pass, **that in the place where it was said unto them, Ye are not my people; there shall they be called the children of the living God** (Romans 9:25-26).*

## **Conversations !!**

Revelation 22:7: “Son the principle of election also applies to the nations. I have foreknown certain nations even before laying the foundation of the earth. I have also predestinated certain nations to be a part of My coming kingdom. Those I have pre-destinated I also called and gave assignments to do for Me at certain stages in the outworking of human history.

It is now left for these nations to respond to My call by agreement with Me concerning their destiny or by rejection of My call. When I make this call on any nation, I will create the conditions that are necessary to encourage the nation to choose right, to choose life; to choose Me and live. But this does not overrule the requirement of choice.

Each nation is still required to make a choice whether they agree with My sovereign ordination and call for them or whether they reject it.

Once a nation makes this choice, I as a just Judge will honour the election and choice of each nation.

**I chose your nation before I laid the foundation of the earth to be My trump card at the end of the age.** I choose the weak things to confound the strong and the debased things to confound the mighty.

Many of the troubles that you have seen as a nation is on account of this call:

That call is to be a saviour to the nations of Africa that have suffered as a result of the wickedness of other nations against her. I was there when Africa was partitioned and sold and bought but I held My peace because I knew it would serve My purpose.

I was there during the era of slavery but I held My peace and used it to bring forth My purpose. Africa and especially Nigeria, South Africa, Somalia and Egypt are My trump card for the end of the age. The turmoil that these nations have gone through is connected to My end time purposes.

I have arisen in Nigeria and raised My altar in your nation. It is the **Altar of Revival**. That altar as it gathers strength will give strength to redeem the throne of your nation that was sold to leviathan and mammon. I have judged these spirits, weakened and broken down the strength of Nimrod's altar in the skies across Africa and you were witnesses to these.

**I have come to redeem the throne of your nation so that I may sit on it and ride to the nations to do the last phase of My work on earth through you.** The throne is important because the throne is the place of legislation. It is also the place where you can raise an altar that will influence the entire nation and affect her people. This is what happens in heaven as you see in Revelation chapters 4 to 6 which is a pattern that David replicated for Israel by giving back the throne to Me whereupon I made it an eternal throne. Many nations of the world including your nation have a call from Me to replicate that pattern. The throne of David is my pattern for the nations of the world. Any nation that hears My call, heeds My voice and gives Me back the throne of their nation will by that process of dedication come into alignment with My eternal throne and will in that process be carried into My coming kingdom that is just by the corner.

I gave the earth to man (Psalm 115:16) and man must dedicate it back to Me.

I have waited for this time. I have sown concerning your nation. I have kept her because I appointed her for a purpose otherwise the nation would have disintegrated because of the multitude of whoredoms instituted against her by wicked men and women raised by the British throne.

Nahum describes the transaction that took place whereby your nation was sold for a price by the well favoured harlot whose throne is upon the waters:

*Because of the multitude of the whoredoms of the wellfavoured harlot, the mistress of witchcrafts, that selleth nations through her whoredoms, and families through her witchcrafts (Nahum 3:4).*

Your nation was sold by the harlot that sits on the British throne for money. Check in history and you will see that Nigeria was a transaction. It was sold by a man and bought by an empire in a transaction that took place in the belly of the waters.

I have brought you to these waters to show you this as My witness so that you will record what you have seen that when I would have accomplished My work it would be on record for posterity that things do not just happen by accident.

Son, I do send you to the waters of Unitted Kingdom; to the river Thames to untie the knot that joins Nigeria and Britain in a soul tie. That soul tie needs to be cut and I will use the sword I have given you for the nation to cut it. The time is near and I will work it out.

Your nation rebelled against me in 1967, when men from the East, called as my witnesses to Africa led the nation in rebellion against Me. They responded in the flesh to a problem that is deep rooted in spirituality and thus they played into the hands of the enemy. They fell into this trap because they abandoned their calling as my witnesses to the nation and nations, went into idolatry and lost their spiritual sight. That bondage has lasted and served its purpose; 2017 will be the 50<sup>th</sup> year which is the year of My Jubilee and release.

Notice the parallel between Israel and Nigeria and the concurrence in years. While your nation rebelled in 1967 and fought a different kind of war, Israel also went to war in 1967 and fought to regain Jerusalem, the place of My eternal throne. 2017 is very important both for Israel and your nation. Consider these concurrences:

1977-78 (The Year Israel reached maturity) + 40 years [testing]=2017/18.

1967 (The year Jerusalem was retaken by Israel) + 50 years [jubilee/deliverance] = 2017.

1947/8 (The year Israel was reborn as a nation) + 70 years [captivity prophecy fulfilled] = 2017/8.

1917 (the year the Balfour Declaration was issued) + 100 years [captivity] = 2017.

1897 (The year of the first Zionist Congress) + 120 years [judgment] = 2017.

1967 (Year of rebellion led by the East) + 50 years (Jubilee) = 2017.

**Your nation, like Israel has a date to keep with Me in 2017.**

I have sent Beatrix, the angel over Nigeria to accompany you and show you these things.

I have also sent David at a time to show you the revelation of My eternal throne. These words apply:

*They know not, neither will they understand; they walk on in darkness: all the foundations of the earth are out of course.* (Psalm 82:5): The present foundation laid for your nation is in darkness and it cannot stand.

*If the foundations be destroyed (are weak), what can the righteous do?* (Psalm 11:3): The righteous must with My help lay a new foundation. I am the ancient foundation that cannot be shaken or overthrown.

Behold, I come to lay a new foundation for your nation and this is the character of the foundation I come to lay.

*Righteousness and justice are the foundations of your throne* (Psalm 89:14 NIV):

Your current foundation laid for you by the British throne, based on marine distortion and lies, mammon, leviathan, corruption mammon which is idolatry and injustice cannot stand. I come to pull this work down and lay a new foundation in righteousness and 2017 is instructive. Your nation has a date with Me in 2017.

Tell My David to seek Me concerning a new constitution for Nigeria. He should continue to wait on Me concerning this matter and I will show him the issues.

Tell.... (personal)

As David continues to wait upon Me I will show him the issues and the steps that need to be taken to put the issue of the new constitution on the front burner. The East, South and West need to cooperate on this but the East is the key. See Numbers 10 and see how My army marches.

Apart from the need for equity and fairness in the distribution of political offices as required by the constitution, the most pressing need of the east at this time is for revival and a return to Me.”

I had opportunity to share with pastors from eastern Nigeria recently and I was amazed at the level of idolatry and spiritual darkness that is over the area.

There is need to cry to God to lift the covering of religion, the covering of tradition and also to bring down the altars of mammon and marine worship which some prominent religious organisations have raised over the entire land to maintain its hold on the people and to retain their members in their enclaves.

“I have identified vessels for this revival in the East and I am working in their heart and preparing the grounds.

The assignment to the gate of the Niger is important. Put it on the front burner. I am raising help to accomplish it so that the waters of Nigeria can come back as the water of life for your nation.

When this work is done, I send a flood and a wind from My presence to wash away the altars that are entrenched in the gates of the River Niger from which corruption is fed to your nation through her navel (Kogi confluence).

These things have become easier to deal with having judged the altar of Nimrod and disconnected its alignment with the waters.

You will raise Me an altar of David in seven centers I will set up prayer cells that prays and cries for David.

I have people in place already and I am connecting them to you and you to them.

**Son My David is My answer to the prayers concerning your nation.**

I have chosen this David and I am working on him, preparing him and showing him the issues. Many in your nation who oppose Me and oppose My counsel for your nation will fall for his sake.

Only a David can deal with the issues of your nation whose corrupt foundation I have shown you. Any man in alignment with that source and foundation will be part of the problem and never the solution.

That is the lie some in the Church have bought into because they became blind by eating from the dainties from the whore’s table.

Only in David will I save your nation and I give you My word to publish to the Church and the nation. My David comes. This is My covenant with the fathers and I will keep My covenant.

**THE TABLE OF THE LORD IS SET:**

At this point I see a table that is set. A table for twelve with five seats on both side, a table that looks like a throne at the head of the table and another smaller seat like a throne on the opposite side. I see the Lord at the head of this table.

On the right side I see Abraham, Moses, Noah and David. I also see Paul. This is like team Israel.

On the left side I see a white man. Like the leader of team Nigeria. His name is Elton. Though he is white his blood is Nigerian. I see Babalola. I see another shortish and slim looking unassuming man. I know him by the spirit as Orekoya, the prophet. I see a man that yet lives - an unassuming man that I recognise next to Orekoya. I see . . . five in number for team Pisonia.

Then I see the David of Nigeria on the opposite side of the table to where the Lord is seated.

I am brought into the vision of God again and I see Aso Rock. The angel over Nigeria moves at the speed of light and takes the gold crown laid on the throne and brings it before the Lord. I see four elders; two from each side get up, take the crown from Beatrix and place it on the head of David.

Then I see the Holy Spirit as an eagle brood over the throne and eventually rest on the head of the throne.

I have understanding that the throne of David has been raised and the Lord will sit on that throne. I also see that the Holy Spirit will rest heavily on David and also over the nation. This is nothing but revival and the era of unlimited possibilities.

**This is My word and covenant with the fathers over your nation: I re-affirm that covenant and now say to you that the time has come for its fulfillment:**

<sup>25</sup> *Then (even now) will I sprinkle clean water upon you, and ye shall be clean: from all your filthiness, and from all your idols, will I cleanse you.* <sup>26</sup> *A new heart also will I give you, and a new spirit will I put within you: and I will take away the stony heart out of your flesh, and I will give you an heart of flesh.* <sup>27</sup> *And I will put my spirit within you, and cause you to walk in my statutes, and ye shall keep my judgments, and do them.* <sup>28</sup> *And ye shall dwell in the land that I gave to your fathers; and ye shall be my people, and I will be your God.* <sup>29</sup> *I will also save you from all your uncleannesses: and I will call for the corn, and will increase it, and lay no famine upon you.* <sup>30</sup> *And I will multiply the fruit of the tree, and the increase of the field, that ye shall receive no more reproach of famine among the heathen.* <sup>31</sup> *Then shall ye remember your own evil ways, and your doings that were not good, and shall lothe yourselves in your own sight for your iniquities and for your abominations.* <sup>32</sup> *Not for your sakes do I this, saith the Lord GOD, be it known unto you: be ashamed and confounded for your own ways, O house of Israel.* <sup>33</sup> ***Thus saith the Lord GOD; In the day that I shall have cleansed you from all your iniquities I will also cause you to dwell in the cities, and the wastes shall be builded.*** <sup>34</sup> ***And the desolate land shall be tilled, whereas it lay desolate in the sight of all that passed by.*** <sup>35</sup> ***And they shall say, This land that was desolate is become like the garden of Eden; and the waste and desolate and ruined cities are become fenced, and are inhabited.*** <sup>36</sup> ***Then the heathen that are left round about you shall know that I the LORD build the ruined places, and plant that that was desolate: I the LORD have spoken it, and I will do it.*** <sup>37</sup> ***Thus saith the Lord GOD; I will yet for this be enquired of by the house of Israel, to do it for them; I will increase them with men like a flock.*** <sup>38</sup> ***As the holy flock, as the flock of Jerusalem in her solemn feasts; so shall the waste cities be filled with flocks of men: and they shall know that I am the LORD. (Ezekiel 36:25-38).***

I hear seven blasts of the trumpet and the Spirit of the Lord says, It is done:

I hear a command in my spirit to sign and seal it with these words:

*And it shall come to pass in the last days, that the mountain of the LORD'S house shall be established in the top of the mountains, and shall be exalted above the hills; and all nations shall flow unto it. <sup>3</sup> And many people shall go and say, Come ye, and let us go up to the mountain of the LORD, to the house of the God of Jacob; and he will teach us of his ways, and we will walk in his paths: for out of Zion shall go forth the law, and the word of the LORD from Jerusalem. <sup>4</sup> And he shall judge among the nations, and shall rebuke many people: and they shall beat their swords into plowshares, and their spears into pruninghooks: nation shall not lift up sword against nation, neither shall they learn war any more (Isaiah 2:2-4).*

*I was glad when they said unto me, Let us go into the house of the LORD. <sup>2</sup> Our feet shall stand within thy gates, O Jerusalem. <sup>3</sup> Jerusalem is builded as a city that is compact together: <sup>4</sup> Whither the tribes go up, the tribes of the LORD, unto the testimony of Israel, to give thanks unto the name of the LORD. <sup>5</sup> **For there are set thrones of judgment, the thrones of the house of David** (Psalm 122:5, emphasis added).*

*And in the days of these kings shall the God of heaven set up a kingdom, which shall never be destroyed: and the kingdom shall not be left to other people, but it shall break in pieces and consume all these kingdoms, and it shall stand for ever. <sup>45</sup> Forasmuch as thou sawest that the stone was cut out of the mountain without hands, and that it brake in pieces the iron, the brass, the clay, the silver, and the gold; the great God hath made known to the king what shall come to pass hereafter: and the dream is certain, and the interpretation thereof sure. (Daniel 2:44-45).*

*And the angel which I saw stand upon the sea and upon the earth lifted up his hand to heaven, <sup>6</sup> And sware by him that liveth for ever and ever, who created heaven, and the things that therein are, and the earth, and the things that therein are, and the sea, and the things which are therein, that there should be time no longer: <sup>7</sup> But in the days of the voice of the seventh angel, when he shall begin to sound, the mystery of God should be finished, as he hath declared to his servants the prophets (Revelation 10:5-6).*

## MATTERS ARISING:

This is not part of the message but I feel led by the Lord to raise these issues:

One of the tragedies that has befallen the Church in recent times is the reality that the voice of the Lord is not clear among His people. We saw the damage it did to us during the period leading to the 2015 election, the result being that many in leadership positions in the Church led the people of God to line up against His purpose. Today, is the fruit of that lack not obvious in the Church and the nation? Do you not see that the embryonic stage of an Islamic agenda is unfolding before our very eyes?

The Lord often says to me that revelation brings responsibility. If you find your self reading these words, it is simply because the Lord wants you to read it otherwise it will not come into your space.

Now that you have read, I also say the same thing to you that revelation brings responsibility. Please evaluate what you have read. Go to the Lord Jesus Christ in prayers if you are his servant and ask Him if these are His words. If He tells you it is my own words please throw it away.

If He tells you that they are His words then you have a responsibility to act and partner with Him to bring it to pass.

The instructions we have is to put these words in the hands of His Church and some strategic people in the nation using every available media including print, social, regular and electronic media.

There are four ways you can help us. Please ask the Lord what He will have you do.

- a) **PRAYER PARTNERS:** To some it is given to pray and watch until the purpose is fulfilled. The Lord is asking us to raise prayer altars for this purpose. These partners will stand for project David in their cities in the place of prayers until it comes to pass.
- b) **FINANCIAL PARTNERS:** We are trusting the Lord to do a first print version of about 5,000 copies of this message. The initial budget is over N1,200,000.00. If it is given to you to help us achieve this objective, do it as unto the Lord.
- c) **PROPHETIC PEOPLE:** There are certain prophetic actions we have instructions to undertake in the course of the coming year. If you are led in these way and your have competence in it we can put materials in your hand and show you the part you can play in your situation and area of influence.
- d) To some, it may be given to you to do all. If this is the case do it as unto the Lord and you will not lose your reward.

I now return all the glory, honour and adoration unto the Lord who has shown and revealed these things. I take responsibility for any part of this message that I did not express properly and I return ALL THE GLORY to you as I hide behind your cross.

I remain your bond servant,
